THE YOUNGER SET

By MILDRED MEDFORD High School Senior

Waynesville High School will have cheerleaders for the basket- ball season. Mr. Bowles said that they would be elected by the stu- dent body Tuesday morning in chapel.

Whether the cheerleaders will come from the "Present eight" or not remains to be seen. If they do I am sure that they will work just as hard cheering the basket- ball boys and girls on to their victory as they did the football boys.

The basketball boys and girls will be glad to know that the stu- dent body of Waynesville high is backing them up.

The hair style is gradually changing from the long "bob" to the short "feather" cut. It seems to be making a big hit with boys, and I quote Charlie Womack, "I like it short. It looks better and is much neater."

Just notice the new hair cuts that Patsy Ezell and Patsy Green have and you will want one, too. They are really in style. Their new hair style makes them look like something out of a model's magazine.

The juniors over at the Bethel High School are really working. They have been selling magazine subscriptions to raise money for a banquet which they will give to

First CD Debate And Spelling Bee Popular Success

Some men and women of a few words got together in Spring Hill Baptist Church last Thursday night, tossed them back and forth at each other and kept a capacity audience roaring with laughter for nearly two hours.

It was the first inter-community debating match and spelling bee of the Haywood County Community Development Program's winter recreation season.

Center Pigeon's Vaughn Bramlett and George Stamey won the battle of words in the debating contest, edging Ratcliffe Cove's duet of Bob Francis and C. C. Francis by a couple of syllogisms.

The winners argued to the satisfaction of judges Oral Yates of Iron Duff, Van Wells, East Pigeon Chairman, and Mrs. Mae Sherrill, also of East Pigeon, that Haywood County should make available the facilities necessary for having a county fair.

That was the question of the debate. The Ratcliffe Cove men had the job of trying to prove that the county shouldn't.

But their arguments, though spiced with wit and humor, lacked the strength to convince the judges and a lot of the spectators in the bargain.

However, Ratcliffe Cove, paced by Mrs. Carl Jones, rallied to edge the Center Pigeon delegates in the spelling bee.

The match went hot and heavy, and the synonyms, antonyms, vowels, consonants, and diphthongs took a heavy toll of both sides until finally only Mrs. Jones and Mrs. George Henson, the Center Pigeon standard bearer, were left in the ring.

Mrs. Jones had the last word, and had it right, and that was the match.

Taking sides with Mrs. Jones in this battle of words were Ben Smith, Mrs. J. O. Bishop, Mrs. Carl Jones, Mrs. D. Reeves Noland, and Mrs. G. W. Limer.

In the Center Pigeon lineup with Mrs. Henson were Mrs. Jay Terrell, Lee Dunlap, Eugene McLe- more, and Woodrow Fleming.

In between the sessions, the combined choirs of the Long's Metho- dist and Spring Hill Churches to- tallying 30 voices gave a beautiful concert under the direction of Rob- ert Clark of the Spring Hill Church.

You Can Get a Goat's Goat

SARASOTA, Fla. (AP)—Goats stupid? No such thing, says Don and Grace Ragsdale.

They started out with one animal for milk to help Mrs. Ragsdale's arthritis and wound up with not only a goat dairy but a rather complete dossier on goat habits and philosophy.

Mr. and Mrs. Ragsdale say goats have a strong sense of what is right and wrong in the way they should be handled, and if one thinks he has been slight- ed, he sulks or pouts or butts. They also have very long memo- ries. Some practically demand to be addressed by name. And they don't eat rags or tin cans.

Sentinels of Health

Don't Neglect Them! Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide dis- tress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kid- ney or bladder disturbance. The recognized medicine to help the kidneys is a diuretic medicine to help the kidneys get rid of excess poisons—body waste. Use Doan's Pills. They have had more than forty years of public approval. We endorse the country over. Insist on Doan's. Sold at all drug stores.
