## 3 Boys To Get Eagle Scout Rank

Three Haywood County boys Monday night will receive the highest rank the Boy Scouts of America can award.

Jack Casanova of Clyde Troop 9, Charles H. Mills of Canton Troop 1 and Charles E. Mainous, Jr. of Bethel Troop 12 will be inducted as Eagle Scouts at the Pigeon District Court of Honor.

The Court will convene at 7:30 p. m. at the Clyde Methodist Church with Donald W. Randolph of Canton, Scout Advancement chairman for the Pigeon District, conducting the ceremonies.

Other awards for their Scout work will be presented to Donald Franklin, Jack D. Medford, Arnold Hamrah, William Clark, Michael Gilliland of Troop 3, Alberts Creek, Clyde Ray, Wilburn Davis, and David Felmet, of Troop 2, Waynesville, Joseph D. Emery, Hayes Gaddis, and Frank Lake of Troop 8, Lake Junaluska, John Carter, John Medford, Jerry Walker, Bruce Buchanan, Jack Shuler, and Bruce Francis, of Troop 9, Clyde, Charles R. Sheppard of Troop 10, Canton, and Lamar York, Troop 12, Bethel.

The staff as a whole is doing splendid work and are willing to work even harder if it will make the Echo a better paper. The Editor - in - Chief is Florence Brooks and the advisor is Miss J. Curto.

The Bethel Student Council has as their president, Harry Severson, a Junior. Harry has black curly hair and brown eyes. He played football on the first team and is now playing basketball.

The Student Council is one of the best organizations that any high school could have. I think that every high school should have the Student Council. No wonder he was elected President.

P.S.—In my column Monday I said that the cheerleaders would be elected Tuesday morning in chapel. I can still say that we are going to have cheerleaders for the basketball season if the student body wants them. Mr. Bowles said that it "slipped" his mind in chapel Tuesday and that we would elect them later in the week.

Power To Be Off In Some Areas On Sunday

The power will be off Sunday from 1:30 to 4:30 in Hazelwood, Lake Junaluska and Balsam areas, it was announced today by Carolina Power and Light officials.

The shut-off will not affect REA or Waynesville, it was said. There are necessary repairs that must be made, hence the cut-off.

**TIGHT TIDE**  
TUSCALOOSA, Ala. —AP—The University of Alabama's 1938 football team holds the Southeastern Conference defensive record. In nine games that season the Crimson Tide allowed its opponents a total of only 701 yards rushing and passing or an average of only 77.9 yards per game.

## 1949 Christmas Concert To Be Held December 20

The Waynesville Township High School band and mixed chorus will give the school's annual Christmas Concert the night of December 20 at the high school auditorium.

The concert is scheduled to start at 8 p. m.

Charles Isley, director of the band and chorus, made the announcement this morning.

He said the "usual admission price will be charged," and that the students of the music department will start selling tickets tomorrow.

The 90-minute concert will comprise the familiar Christmas numbers.

## East Pigeon To Hold Box Supper At Bethel Dec. 15

The residents of East Pigeon will hold a box supper at 7:30 p. m. today at Bethel School to raise money for financing their community improvement projects.

The announcement was made today by Van Wells, chairman of the East Pigeon Community Development Program which is sponsoring the event.

Paul Grogan, Cruso School principal will auction the boxes of food being prepared by the ladies of the community.

For one thing, the funds would be used to help pay for uniforms for the community's basketball teams which are competing in the county-wide winter recreation program.

Canton High To Hold Christmas Play Tonight

Canton High School students will present "The Alien Star," a Christmas musical, at 7:30 p. m. today in the school auditorium.

The pageant is being sponsored by the Canton High School P-TA with Miss Mary Gillis directing.

The high school Glee Club, directed by Mrs. Robert Matthews, will provide the vocal background.

One of the features of the program will be a "live" Christmas tree.

The cast and stage force for the play, written by Frances Smith, includes: Francis Pless, Larry Scruggs, Arthur Moon, Connie Holland, Nicky Carter, Billy Branson, Eleanor Gogdill, Wayne Presley, Assistant Director Nancy Lee Duckworth, Nancy Cody, in charge of publicity, and Business Manager Suzanne Cody. Carter also is serving as stage manager.

## St. John's Pupils To Present Operetta Monday

The grade students and the kindergarten rhythm band of St. John's School will present the operetta, "Heigh-Ho-Holly" as the feature of the annual Christmas program at 8 p. m. Monday in the school auditorium.

The entire student body of the elementary school comprises the cast of this charming musical that tells the story of a typical American family.

When the final curtain goes down, the spectators probably will leave the theater humming snatches of the many catchy melodies which will make up the musical background for the show along with the traditional Christmas carols.

The evening program will be rounded out by a beautiful tableau depicting the Nativity.

St. John's students are in charge of the ticket sales.

The cast: Father—Stephen Walker. Mother—Mary Gunn. Grandfather—Rex Feichter. Grandmother—Ilsa Feichter. Patricia, the daughter—Alice
