What We  
**NEED**  
 Want

That all-important letter to Santa; in it we told him the many things we *wanted*. We were children then . . .

Now, as adults, we have discovered a new approach to Santa. Wherever possible, we drop little hints about the things we *need*, in the hope that we'll receive useful gifts.

The first Christmas came while the world was still very young. The people of Bethlehem were looking for the kind of king who would live in a palace. That was the sort of Messiah they *wanted*.

But God gave them a Child in swaddling clothes, lying in a manger . . . a babe destined to become a spiritual King . . . the kind of Messiah the world *needed*.

The mark of spiritual maturity is the realization that sacred needs are more important than secular wants. This is the Christmas season. Come to your Church and receive GOD'S GIFT.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
