Officers of the temple, angered by preaching, took Peter and John to prison. MEMORY VERSE—Acts 4:32.

**PARABLE OF TALENTS WORKS**  
EARLEY, England.—(AP)—When Vicar Stanley Robinson tested Saint Matthew's "Parable of the Talents" on 15 parishioners he found they had better business heads than the three servants in the Bible. To raise church funds, he gave each a shilling (14 cents)—just as the parable's hero gave one servant five talents, another two, and a third one.  
In the parable, two servants doubled their capital and the third brought back only the original talent. But Vicar Robinson's "good and faithful servants" turned in 11 pounds eight shillings and a penny (\$31.93) on the 15-shilling (\$2.10) investment.  
A bank manager spent his shilling on gasoline and charged his friends for lifts. A tailor bought a zip fastener and made a pouch that sold for two pounds five shillings.  
Others made and sold iron holders or built up brisk little sidelines in cigarettes, razor blades, papers and flowers.

### New, Easy Way to Farm

One Minute TO PUT ON IMPLEMENTS  
**NEW EAGLE HITCH**  
EASIEST 3-POINT HOOK-UP YOU EVER SAW

1 LATCH ON  
2 SLIP IN PIN  
3 AND GO

See it... Try it...

The new Eagle Hitch on the 1950 Case "VAC" tractor takes hold of the new latch-on implements and picks them up—fast and easy. Without getting off the seat you just latch on, slip in a pin, and go! You get to the field quicker, finish sooner. Work is done better because the Eagle Hitch keeps implements working at a steady depth in spite of hard spots and uneven ground. Come in and see it! Try the new low-pressure hydraulic implement control. You'll like the way it works with both latch-on and front-mounted implements. This isn't push-button farming, but it's the nearest thing to it. And you'll be amazed at the eager power wrapped up in this low-cost 2-plow tractor.
