## SWING YOUR PARTNER... DO-SI-DO

**SQUARE DANCE COTTONS** . . . The white cotton broadcloth skirt at left has appliqued black stripes framing red bandanna handkerchiefs, and is worn with the "jester blouse" in white or pastel cotton. The matching blouse and skirt at right are made of English cotton foulard in a "stained-glass-window" print, with flounced skirt and peasant type blouse. Both are designed by Reid and Reid.

By DOROTHY ROE  
Associated Press Fashion Editor

Now that the square dance has become America's national pastime, second only to baseball in the hearts of the people, a whole new category of fashions has been born.

You can't go to a square dance, you know, all dressed up in elaborate silks and satins. And you can't do the proper whirls and promenades if you're dressed in the usual slim-skirted day-time styles of the season. For proper enjoyment of a square dance, you must have gay, full-skirted cottons — skirts designed for twirling, blouses that allow free action. And after a strenuous evening of dancing to the strains of "Turkey in the Straw," you'll want to toss everything into the family washing machine, to have it fresh and crisp for next Saturday night.

Favorites with square dance fans about the

country are full cotton skirts and separate blouses, often matching their partners' shirts. Some bright girls make their own outfits, and also stitch up a shirt of matching fabric for the boy-friend, so that the couple makes a colorful and easily identifiable team on the floor, when the prizes are being passed out.

Others buy the gay and inexpensive cotton separates that are available in stores throughout the country, deftly designed and always in vivid colors. It's fun to wear ruffled cotton petticoats beneath the full skirts, so that a ruffle of crisp white eyelet or lace shows when you whirl. Blouses sometimes match, sometimes contrast with the skirts. They may be either the big-sleeved peasant type or more tailored shirt styles, but always in washable cottons.

For less than a ten-dollar bill you may buy the newest and gayest square-dance outfits, and be all set to be the belle of the barn dance.

### Polio Fund Gets \$1.01 From Each Hazelwood Pupil

Hazelwood Elementary School has given the 1956 March of Dimes drive exactly \$1.01 for every one of its 711 students.

Waynesville Area Campaign chairman Felix Stovall reported today School Principal Lawrence Leatherwood had turned in \$15 more his pupils had raised.

This brought the students' total contributions to the drive to \$715.03.

Mr. Leatherwood said the pupils raised a large part of the money by giving up candy, ice cream, or some other little luxury dear to a child's heart.

They gave to the polio drive the money their parents usually allowed them for those little things.

Of the total, Mrs. Knight's fifth grade pupils raised more than \$300—\$184.50 of which represents the receipts from the "womanless wedding" they sponsored last Friday night.

Speaking as chairman of the polio campaign in this area, Mr. Stovall expressed heartfelt admiration for the spirit of self-sacrifice of the students and thanked them and their teachers who cooperated so fully in the campaign.

#### High Blood Pressure

When the blood pressure remains continuously high, the heart enlarges. The heart muscle becomes thicker and stronger. This is the direct effect of the greater work required of the heart to maintain an adequate circulation. Your age, plus 100, is not a rule for proper blood pressure. Blood pressure should remain much the same throughout adult life.

### Ladino Group To Put Up 50 Signs Pointing Up Drive

A committee of ten recently was appointed by the Haywood County Ladino Clover Club to start erecting 50 signs advertising the cover crop.

These signs, said Club Chairman John Kirkpatrick of Crabtree, will be erected on roads beside fields of Ladino to point out the field to travellers and thus serve to advertise the crop.

This part of the campaign recently launched through the County Agent's Office to add 10,000 new acres of Ladino and orchard grass or Fescue to Haywood's "New Look" of winter green this year.

Named to the sign committee were M. C. Nix, who is serving as chairman; M. O. Galloway, Mark Galloway, F. I. Newman, Tillman Powell, David Underwood, R. C. Evans, John Nesbitt, B. F. Nesbitt, and James Carpenter.

Other Club officers with Mr. Kirkpatrick are K. O. Carswell, Thickett community leader; and Jule Boyd of Jonathan Creek.

County Agent Wayne Corpening said the rules drawn up by a Club committee provide that a farmer must seed a certain percentage of his open pasture in order to become a member.

These percentages are as follows: If a farmer has one acre of open pasture, he must seed that acre completely; three acres must be seeded where there are five acres of open pasture; five must be seeded where there are ten acres of open pasture; eight seeded if there are 20; 20 seeded out of 50; thirty seeded out of 75; forty seeded out of 100; fifty seeded out of 200 and over.

Mr. Corpening told interested farmers that a card is to be mailed to them. On this card they may state the number of acres of Ladino they have seeded, along with the amount required to become a member of the club.

### Vets' Officer Announces 6-Day Office Schedule

Bruce Brown of Clyde, recently appointed as Haywood County's Veterans Service Officer, today announced he would follow a six-day weekly schedule to handle veterans' affairs.

He will spend two days each at Canton, Clyde, and Waynesville, with his office hours running from 9 a.m. to 5 p.m.

His headquarters on these specified days will be at the town hall in each place.

His schedule will be as follows: Monday and Friday — Waynesville; Tuesday and Thursday — Canton; and Wednesday and Saturday — Clyde.

Brown was named last month by the County Board of Commissioners as full-time county veterans' office.

He had the unanimous endorsement of the Waynesville, Hazelwood, and Canton American Legion posts, and the Veterans of Foreign Wars posts of Canton and Waynesville—in brief, the endorsement of all Haywood County's veterans' organizations.

He reminded veterans he would be available for service to them on a full-time basis.

### Pressure Canning
