Plans For County CDP Cage Tournament To Be Set At Meeting Feb. 28

The basketball committee of the Haywood County Community Development Program will meet at 2:30 p.m. February 28 at the Haywood County Court House here to map out the details of the county-wide community cage tournament. The tournament, with 42 girls' and boys' teams expected to enter, is scheduled for the week of March 20.

The size of the event will make it necessary for first-round games to be played simultaneously in Canton and Waynesville gyms.

According to tentative plans, the semifinals will be held in one of these towns, and the finals in the other to give people throughout the county the opportunity to see their local boys and girls play.

Jack Justice, athletic director of Champion YMCA at Canton, will preside over the session as the committee chairman. The other members of the committee are Coach C. E. Weatherby of Waynesville Township High School, Mrs. Tom Brummitt of Fines Creek, Wayne Stamey of Center Pigeon, David Underwood of Waynesville, and Ray Milner of Iron Duff.

Three trophies will be presented following the tournament. One will be given to the team judged by the officials as having displayed the best sportsmanship. The others will be presented to the girls' champion, and the boys' champion teams.

The players of each of the championship teams also will be presented with special awards.

Schoolboy Cager Averaging Over 30 Points A Game

AP Newsfeatures
LIMA, O.—Scoring more than 20 points a game still is looked upon as a creditable feat in today's high-scoring brand of basketball. But for a high school player to score more than 30 points consistently is considered sensational by basketball fans in this Northwest Ohio section.

It's being done every week by a curly-headed guard at Wapakoneta St. Joseph high school, 14 miles south of here. His name is Ray Dieringer, a slender five-foot 10-inch senior sharpshooter, who has averaged 28.6 points per game.

RAY DIERINGER
Dieringer is making scholastic history at St. Joe, compiling an even 400 points in the first 14 games. Supporters believe he will break a state record before the season closes.

Dieringer's 400 points are unique in another way. His team has 796 points, collected in winning 11 games and losing three.

Only twice has he slipped below the 20-point mark. He scored 18 points in St. Joe's opening game, and was held to 17 points in the first defeat. In eight other games Dieringer passed the 30-point total.

Carrying only 165 pounds, Dieringer is forced to use his own style for scoring—slick passing, faking and deadly shooting.

Last season he scored 313 points in 20 games, putting in his third year in varsity competition. His four year record—1,001 points—is a dream to his coach, the Rev. Michael Homco.

The lad has no definite plans for fall, but soon college sleuths will be breathing down his neck.

Stray Hotel Key Causes International Incident
COLUMBUS, O. (UP)—An Ohio State University student took a cruise with Task Force 61 as part of the navel ROTC program last summer.

On returning to his ship from leave in France, Fred Kirby discovered that he still had the large key to his room at the Louvre Hotel in Paris. There was no return address tag on the key, so he kept it.

The other day, as evidence that he had created an international incident, his commanding officer showed the dumbfounded Kirby the correspondence regarding the key which he had received: letters from the commander of Task Force 61, the commandant of the Naval Academy at Annapolis, and the United States ambassador to France.

Kirby sent the key back. who have been among the sponsors of the huge Oberdorf hill, say strict controls will be kept over its use.

Bethel, Clyde, Canton Girls, Waynesville, Clyde Boys Win In Tourney

The Canton, Bethel, and Clyde girls and the Waynesville and Clyde boys gained the quarterfinals of the Canton Gold Medal Basketball Tournament by surviving their first games as the first round play closed Monday and Tuesday at the Canton High School gymnasium.

On Monday, Joretta McCrary led the Canton ladies to a 28-14 victory over favored Etowah.

Virginia Mease sank 40 points as she and her Bethel teammates swamped Fletcher, 78-27.

Clyde High School's Cardinals, paced by Guard Johnny Spencer, romped to a 61-28 win over Fletcher.

The next day, Clyde's lady Cardinals, led by Helen Fore, Jewell Evans and Geraldine Fish, eliminated the Mills River girls, 44-25.

The Waynesville boys, with Bill Sutton in the lineup for the first time this season, made their debut by handing defending champion Mills River's boys a 56-31 pasting.

The last of the opening round games, however, were rough on other Haywood County teams.

The Etowah boys knocked off the Crabtree quintet, 25-24; the Lake Lure girls bumped the Crabtree girls out of the tournament by a 34-28 count; and Bethel's boys fell by the wayside, 42-24, to a tough Saluda quintet.

Canton's girls came from behind a 7-3 first-quarter deficit to snatch a 13-10 lead by half time, then go ahead to stay in the third period when they racked up 11 points and held the losers to only one.

Miss McCrary, Canton's most consistent scorer all season, contributed 13 points to the winners' total and played a highly efficient floor game in general.

Guards Aileen Haynie and Sue Cook were the principal reasons why Etowah's usually high-scoring offensive stalled.

Doyle Hollingsworth's two free throws in the final seconds of the game provided the tying and winning margin for the Etowah boys over Crabtree.

For most of the time before that, the Crabtree boys held the lead in the close defensive battle. Beasley topped Crabtree's scoring with his seven points, while Allison of the winners took high-scoring honors for the game with 15 points.
