Clyde F. H. A. and the girls are very industrious. They have united their efforts to raise funds for the two which are lacking in "greenbacks".

The money which is taken in between the Home A.C. and the F. H. A. treasury, Friday night the girls gave for the public, then served School Masters Club Monday. From the way everyone to enjoy the food, the girls extra good.

If you are looking for good you will find them at Clyde. The girls enjoyed cooking and those meals very much.

Girls who served the supper School Masters wonder if Mr. Byers still likes bologna. Mr. Byers formed them that he would have bologna instead of the meat. They put it on the table where he had said that bologna should sit down where bologna was but Mr. Byers, the Superintendent of Wood County Schools.

Girls really have money on their mind, too. In the near future, a show will be given. Prizes will be donated by the members of Clyde. The girls also sell their monthly reports.

Under the wise supervision of Miss White, the Home Ec teacher, the girls are doing fine. Carry on the work girls.

Clyde Future Farmers have progress. Five years ago, boys were enrolled in Vocational Agriculture and their net was over one thousand dollars. This year there are thirty eight boys with assets totaling more than \$10,000.

In the last three years, they were awarded a silver bar, of their all-round achievement. They won a handsome plaque.

Eleventh grade girls last year gave Mrs. White, their Home Ec teacher, a birthday party during the class period. The girls brought a lovely gift and then helped the delicious cake.

Had to guess the number of to put on her cake. You woman never tells her age she passes sweet sixteen, she enjoyed the party very much.

The Haywood High School Student of the Week

By MILDRED MEDFORD

Here is the top "notcher" of the WTHS student body. Not only is he the top notcher, but he is "IT".

What I mean by "IT" is that he is the President of the Student Council, plus the many more activities of Waynesville High School that he is active in.

I would certainly hate to know that I had to tell, in this story, all that Jimmy does, so I will just tell of the "Highlights" of the past few years and of the present. And a "wee bit" of the future, too.

Going back to the time when Jimmy was just beginning to enter high school (8th grade) he was awarded the American Legion Citizenship Award. That was the first step toward being a leader in high school.

With his tenor voice just developing in the 8th grade, he joined the chorus. Since he was just a mere freshman then, he was unable to attend the All State Chorus Contest, but in the 10th grade he had made much progress and sang in the Boys' Chorus at the State contest. Since then he has gone to the All State Chorus each year and participated both in the Boys' and Mixed Chorus. Not only does he sing at school, but is also a member of the Church Choir.

Yes, Jimmy is also a football player. In his junior and senior year he played right tackle on the second team, and would have probably been on first team if he had gone out before his junior year.

Besides singing in the choir at the First Presbyterian Church, he is the vice-president of his Sunday School Class, and a leader in the Presbyterian Youth Fellowship.

Last year, as a junior, Jimmy was a member of the Local Yokee staff, a nominee for Boys State, and represented the U. S. History department at the Western Carolina Field Day, coming up as a 3rd place winner. That was just during the

JAMES NEWTON WHITMAN

run of a school day, besides being on Voices of Tomorrow every Wednesday night, writing his own speech, and being the announcer on Student Day Program over WHCC.

This year, or matter of fact, last month he was selected by the faculty as the Honorary Lion of the Month. No wonder though, he ranked 3rd highest in his class of 105. He is also the vice-president of the chorus and a member of the Student Music Council.

And again on March 17th he will represent WTHS at The WCTC Field Day Program. But this time it will be for all the different types of Math rather than History.

Jimmy earns his spending money by working for his father in the bakery, and probably most of it goes for buying books as he likes to read, especially biography, travel, fiction, and in other words all types of literature.

Jimmy is the son of Mr. and Mrs. D. F. Whitman.

Jackson County Meeting To Set Up Credit Bureau

The final details for organizing a Jackson County Merchants Credit Bureau will be discussed Wednesday at a meeting in Sylva's American Legion Hall.

H. J. Thompson, manager of the Waynesville-Hazelwood Credit Bureau, said today he had been asked to attend this meeting which is being sponsored by the Sylva Merchants Association.

He declared that the object of the session was the definite organization of a bureau similar to the one he operates here.

Mr. Thompson added that he would head the Jackson County bureau also from his Waynesville office.

Though bearing the name of Jackson County, merchants of Bryson City also will be able to obtain service from the new credit organization.

Mr. Thompson added that he hoped Franklin business men also would join.

The Waynesville-Hazelwood Credit Bureau opened here officially last December.
