MORE ABOUT

Chas. E. Ray (Continued from page one)
of the Elk's Club here, and a past

president of Rotary. For a number of years he served as chairman of the roads and highways committee of the Chamber of Commerce. Since becoming chairman of the N. C. Park Commission he has served as a member of the committee, but not as

chairman. As chairman of the N. C. Park Commission, he has worked closely with Congressmen from North Shook, C. F. Owen, W. A. Brad- Carolina, and it was through this cooperation that road construction work is to be resumed in the

Mr. Ray is a merchant, but devotes more than half his time to from the Commission office to his store.

He is an efficient organizer, and goes to great lengths in getting all details and facts injected into plans before launching any program.

While not active in politics, he is a keen student of political history, and understands the routine of both state and federal legislation as it affects appropriations to the point that he has thus far been able to succeed in getting the funds necessary for development of many projects in this area.

If he had time for a hobby, it would be landscaping. But for a civic program such as Mr. Ray carleft for a hobby.
