## 17 MILLION DOLLARS PAID FOR TAR

Hospital Saving has paid over 17 million dollars in hospital and surgical claims over the past 14 years. It is currently paying over 4 million dollars a year in claims for its members. Payments are made direct to the hospitals and surgeons as another service feature of Hospital Saving to relieve unnecessary red tape. The Association, as a truly nonprofit service organization, pays out almost all of its income for benefits to its subscribers. This takes profit out of health service. health service.

#### 3-WAY PARTNERSHIP OF COMMUNITY HEALTH

The health-service question is of vital concern today The health-service question is of vital concern today to all North Carolina business, as well as the public. Hospital Saving at Chapel Hill presents the three-way partnership of hospitals, doctors and business leaders throughout the State, joined together through a democratic Board of Trustees, representing each of the three groups equally. This is the American way—in line with the North Carolina procedure of providing community service for the people. Four trustees are elected by and represent the Medical Society of the State of North Carolina; four the North Carolina Hospital Association, and these eight elect four prominent business executives to represent elect four prominent business executives to represent the lay public.
