## Spring Beauty

Who among us does not welcome that first warm day of spring when we discover a bough of blossoms? On that day, the whole out-of-doors seems to come to life again with new pleasure and new meaning.

Winter has passed, and we wonder at the changes that have brought such beauty to the drab, cold scene. Only by the hand of God can sun and rain and air and light change snow-time into spring.

The clear, fresh face of this happy little girl seems to reflect the season's change. She seems almost to match the blossoms.

She too must have the care of God to make her thrive and bloom. The Church is God's way of producing the beauty of spring in a human soul. The Church stands ready and eager to train our children, morally and ethically, and to give them a finer way of life.

Bring your children and those of your neighbors to the Church. Help them to develop fine virtues. Let the Church help keep them from the winter of a Godless life.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
