**Crabtree P-TA Holds Contest Tuesday Night**

By Mrs. Roy B. Medford (Mountaineer Correspondent)

Roger McElroy and Francis Sanford won Tuesday's recitation and declamation contest held by the Crabtree-Iron Duff Parent-Teachers Association.

Roger won the declamation event, and Francis took first in the recitation. Each will receive a medal at the school's annual commencement exercises this spring.

Judging the contestants were Mrs. Clark Messer, Mrs. Glenn Palmer, and Miss Orr, members of the faculty of Fines Creek School.

In the declamation event, Boyd Fisher placed second, and Henry Earl Massie finished third.

Jean Crawford was runnerup and Adeline Best placed third in the recitation.

All these received honorable mention.

Spencer McCracken also competed in the declamation contest, while Adeline Best, Frances Yates, Sybil Bradshaw, Doris Messer, Martha Ann Caldwell, and Lorine Sanford took part in the recitation contest.

During the business session, the nominations and elections of officers of the P-TA was postponed until shortly before the opening of the new school year.

Mrs. Glen Noland, the vice-president of the organization, was in charge of the meeting in the absence of President James Kirkpatrick, who was unable to attend.

they thoroughly enjoyed themselves with a banquet and a square dance, which was sponsored by the C.H.S.C. The banquet and dance was held at Camp Hope Friday night.

On Saturday the discussion groups continued until 12:00. The W.D.N.C.S.C.C. adjourned until next year.

The "Rhythm Rockers" and the Canton High School band did a swell job of keeping their guests entertained with music along with all the discussions.

You can certainly tell that summer time is here... all of the girls either have a sunburned back, or they are as tan as shoe leather. I think the sunburn would describe most of the girls from Waynesville High who have tried to get a sun tan.

Some people are so lucky... then can get a tan without any trouble at all.

The Waynesville High Senior Banquet was one of the best surprises that could ever happen to any one group of Seniors. The decorations were beautiful and the program was the best, but above all—the dresses the girls wore were lovely. They all looked as if they had just stepped out of a store window in Paris.

"Music Week" is here so it's time for the St. John's Recital. Next Wednesday and Thursday night the annual Spring Recital will be presented at the St. John's Auditorium.

There will be around 54 participating in the Junior Recital on Wednesday night and about 30 in the Senior Recital on Thursday night.

Everyone is looking forward to this recital as they have in the past proved to be very interesting to music lovers.

**Stamey Cove Names Visiting Committee**

Mrs. Martin Rogers (Mountaineer Correspondent)

Residents of Stamey Cove at their regular Community Development Program meeting last week appointed a committee to visit the sick and the needy.

Named to this visiting group were Mrs. J. C. Allen, Mrs. Herman Rogers, Mrs. McKinley Pressley, and Mrs. Clarence Buchanan.

The Stamey Cove people also set as their next project the cleaning of their cemetery.

Next Saturday was the date for the community members to meet for this work.

Relatives and other friends of those whose graves are in the Piney Grove Cemetery are invited to take part in this important work.

The work will continue throughout the day, with dinner to be served on the grounds.

Everyone is invited to come with a basket lunch.

Also during the Wednesday night meeting, the residents heard reports by the special committees on the progress attained in their specific projects.

The meeting, which was held at the home of Herman Rogers, was opened with a devotional by the community chairman, the Rev. V. N. Allen.

The members of the community then practiced the songs they will sing at the County Song Festival.

Before adjournment was called, the next meeting was announced for the Piney Grove Methodist Church on May 10.

Of the 134 horses eligible for the Kentucky Derby this year, 61 are still racing in the ownership of the people who bred and raised them.

She and the other officers for 1950 were elected last Thursday afternoon at a meeting in the high school auditorium.

Mrs. Ralph Evans was named first vice-president; Miss Bernice McElhannon, second vice-president; Mrs. Ray Cathey, secretary; and Mrs. Hugh Terrell, treasurer.

The officers will be installed at the next meeting, which will be announced later.

**Haywood 4-H'ers To Leave For State Camp July 10**

Haywood County's 4-H Clubbers were reminded of happy days ahead last weekend.

Assistant County Agent Joe Cline and Assistant Home Demonstration Agent Jean Childers sent their letters announcing the Haywood boys and girls will leave for the annual State 4-H Club camp at White Lake on July 10 for a two-week stay.

They said they are hoping that at least 100 members of the county's clubs will be able to go.

**News From Francis Cove**

By MRS. BILL HOLLINGSWORTH (Mountaineer Correspondent)

Mrs. Henry Francis was honored last Saturday night by the ladies of Francis Cove, who gave her an apron shower at their surprise party at her home.

This was their way of showing their appreciation for her kindness in helping them in the aluminum working school she has held in her home.

In all, the women of the Cove have made 35 trays in Mrs. Francis' classes, and she was always ready and willing to help everyone.

A discussion of health by a member of the Haywood County Health Department staff featured last Thursday night's Francis Cove Community Development Program meeting.

The speaker illustrated her lecture with a movie.

The meeting opened with a song, then the reading of the Scripture by Mrs. Homer West.

Mrs. Henry Francis read the minutes of the last meeting, and Community Chairman Robert Boone led the congregation in prayer.

The ladies served home-made candy as refreshments.

A Lord's Acre project will be conducted this summer by the Francis Cove Community Development Program, with the members of the Community 4-H Club in charge.

Six ladies of Francis Cove attended the District 11 meeting held at the First Presbyterian Church of Sylva recently.

Mrs. Henry Francis, Mrs. Vinson McElroy, Mrs. Bill Hollingsworth, Mrs. Joe Boone, Mrs. Frank Christopher, and Mrs. Evelyn Sisk.

Forty-four of the 134 horses eligible for the Kentucky Derby this year were sold at auction as yearlings in 1948 for almost a half-million dollars.

**300 Attend Bethel Junior-Senior Dinner Saturday**

Nearly 300 students, teachers, and their guests gave Bethel High School's graduating seniors a warm send-off last Saturday night.

The occasion in the gaily-decorated cafeteria at the school was the annual Junior-Senior Banquet, with the juniors playing hosts to their school mates who are ending their high school days this month.

Mrs. Della Phoenix, class advisor, and her girls had decorated the room in the Holiday Inn motif, and the darkness was softened by the glow of candles which sent

the shadows dancing on the walls.

After the dinner was over, the blessing, everyone sang "Lowered The Boom". That reflected the mood of the dinner.

Principal E. J. Evans, Rev. Thomas Erwin, pastor of Allens Creek and Bethel Churches, made the feast dress honoring the departed.

CLINTON, Mass. (UP)—workers discovered some lively individuals in a cemetery. They were near an old tree from the grave bees that had hived up and sent them scampering.
