Iron-Duff Club
 By MRS. F. E. CHAMBERS
 The Iron-Duff Home Demonstration Club has been organized since 1938. Our present membership of 24 members are being led by Mrs. J. R. Caldwell, president; Mrs. F. M. Davis, vice-president; Mrs. F. E. Chambers, secretary; Mrs. Frank Bradshaw, treasurer.

Our club is striving this year, to not only extend membership to every homemaker in our community, but to have a better informed membership by participating in the County Reading Program, and to include in our reading non-fiction books in preference to all fiction. Our members have accepted project leadership and are endeavoring to put into home practice those recommendations given to us by our agents and specialists.

One of our special features has been our "Sunshine Basket" by which we strive to spread sunshine to our sick and bereaved of the community.

Seven delegates attended the District Meet in Sylva. We are joining forces with Francis Cove for a window exhibit featuring National Home Demonstration Week.

U. Crabtree Club
 By MRS. LUCILLE SUTTON
 The Upper Crabtree Home Demonstration Club was organized in February, 1950, at the home of Mrs. Rex Messer with 16 charter members. Mrs. Willie Smith was chosen as our new president, Mrs. Rex Messer, vice-president; Mrs. Lucille Sutton, secretary and treasurer; Mrs. Jack Rogers, Assistant secretary and treasurer. Our membership has increased to 27.

Even though we are a very young club, our interest is focused on our homes and our responsibility as home makers. We adopted the county program of work and have participated in all activities of the County Federation since our organization. We as a group of club women are striving to live up to the ideals of our club Collect so beautifully given us by Miss Mary Stewart.

Francis Cove Club
 By MRS. TROY WYCHE
 The Francis Cove Home Demonstration Club has had a substantial increase in members this year. Several representatives from the club attended the copper, aluminum and furniture refinishing workshops, which were held at the Court house. In turn, the crafts leader, Mrs. Henry Francis, has held two aluminum workshops in her home which approximately 20 persons attended, and half of whom were non-club members.

Each member has contributed toward the expense of a delegate to a meeting of the Farm Women of the World to be held in Holland this year. Six members attended the District meeting held in Sylva, April 27th.

Club members are striving for reading certificates 100%; some having already read and reviewed sufficient books to entitle them to both regular and advanced certificates.

At present several members are working on garments which they plan to model at the Dress Review to be held in May.

In January of this year, our Club presented Miss Marion Boggs, one of our charter members and our president at that time, with a gold pin—the Home Demonstration Club emblem and gavel, serving as a token of our love for her and appreciation of her many years of service to our club.

As a group, we are working together as homemakers to do our part in developing the best county in which to live.

Junaluska Club
 By MRS. CEPH CLARK
 The Junaluska Home Demonstration Club organized in 1937, has a membership of 22 ladies. Our new officers, selected in January of this year are: president, Mrs. Albert McCracken; vice-president, Miss Elizabeth Glosier; secretary and treasurer, Mrs. Ceph Clark.

Our program of work for the year as planned in January attempts to cover all phases of home-making and to assist club members with their specific problems—Handicrafts have been one of our major interests with club participation in the several county workshops. Our members will exhibit some of their choice hooked rugs, copper articles and aluminum trays at the Handicraft Fair the last of May.

We have all felt keenly the loss of one of our most faithful club members, Mrs. Frank Williams. As former president, her leadership, inspiration and ideals shall ever remain with us.

Cameramen To Discuss News Photography

A discussion of news photography will feature the May meeting of the Haywood Camera Club next Tuesday.

President Howard Clapp said the session would be held at the offices of Dr. V. J. Winger, Waynesville osteopath, on Main Street, starting at 7:30 p.m.

Arrangements are being made to obtain a newspaper staff photographer as guest speaker.

The Haywood cameramen also are scheduled to hear a report of last week's short course for photographers held at the University of North Carolina.

THE WHITE HOUSE WASHINGTON
 March 6, 1950

TO THE THREE MILLION RURAL WOMEN IN HOME DEMONSTRATION WORK:

Our homes are as important to the country as they are dear to each of us. Our homes are the basis of our democratic freedom. Most of our work is done with home in mind. Home is where we turn the modern wonders of science into better, healthier, happier living. Home is where we develop future citizens, and where we lay the foundation for community and world-wide understanding.

You who keep and improve those homes have a sacred trust. The improved homemaking practices you are adopting and demonstrating to others, as well as your organized discussion of what makes better homes, better family life, better communities, and better understanding of national and world-wide problems, are all part of the high objectives for which we in America are striving.

Henry Truman

Bethel Club
 By MRS. WELCH SINGLETON
 In October 1936 ten ladies of the Bethel Community met at the Methodist Church for the purpose of organizing the Bethel Home Demonstration Club. The following officers were elected: president, Mrs. R. O. Kelley; vice-president, Mrs. Claude Church; secretary, Mrs. Jim Mann.

The first regular meeting of the newly organized Bethel Home Demonstration Club was held at the home of Mrs. Paul Hyatt, November 18, 1936. Thirty ladies were present for this meeting and became charter members. Of this number, twelve are still active in Home Demonstration work.

Many accomplishments have been made during the years with the Bethel women becoming more conscious of their community and county as a whole, taking more pride and interest in their homes and realizing the true value of balanced and well planned meals for our families. The health problems of club members and their families have been high-lights of the year's work since we were privileged to have Dr. Mary Michal as our Health Leader for many years.

Our membership at present is 39, an alert group, willing and anxious to work together as a group for the betterment of our community. With our present officers, president, Mrs. Jack McCracken; vice-president, Mrs. R. O. Kelley; secretary, Mrs. J. L. Singleton; treasurer, Mrs. Layden West, we are participating in all club, county, district and state activities.

Jonathan Cr. Club
 By MRS. W. T. RAINER
 The Jonathan Creek H. D. Club was organized in October, 1935, with 29 charter members and was one of the first 6 communities to have active participation in Home Demonstration Club work.

Our present officers, president, Mrs. Way Fisher; vice-president, Mrs. Fred Allison; secretary, Mrs. F. R. Kennedy; treasurer, Mrs. John Williams; historian, Mrs. W. T. Rainer, are serving our club efficiently. Project leader interests are centered around their own home situations and each month these leaders bring to our group timely information and helpful suggestions. Our club took an active part in the equipping of our County Demonstration Kitchen of which we are very proud, and one which is far superior to any others to be found in our western counties. This kitchen provides an excellent meeting place for food demonstrations and will be used by many of our clubs during the month of May.

This year, we have planned for our clubs a diversified program, designed to meet the interests of all Homemakers in our community and our county.

Center Pigeon Club
 By MRS. WALLACE JONES
 On Tuesday night, April 25, 1950, thirteen ladies of the Center Pigeon Community met at Long's Church to discuss the organization of a Home Demonstration Club.

After the general organization plan, purpose, policies and program of work was explained, by the Home Demonstration Agents, the group voted to organize "The Good Neighbors of Center Pigeon".

Mrs. W. C. Murray was chosen as president; Mrs. Annie Bramlett, vice-president; Mrs. Wallace Jones, secretary and treasurer.

This is the 24th organized Home Demonstration Club in Haywood County and will meet at night.

Of course you can afford a *Maytag!*

Allens Creek Club
 By MRS. HIRAM McCracken
 The Allens Creek Home Demonstration Club was organized in October 1935 at the Allens Creek School, with Mrs. Henry Francis as our first president, Mrs. Jule Allen, vice-president; and Mrs. J. H. Beach, secretary and treasurer. Twenty-five Charter members were enrolled.

The first year's work was concentrated on a study of food preparation and conservation with our major goal being to learn more about foods so as to provide well balanced and nutritious meals for our families. The interest created this first year has spread through the years and during this 15 year period we have missed only one meeting, due to the vacancy in our Home Agent's office.

We have participated in all club and county activities, sending delegates to District and State meetings regularly as well as cooperating in all community drives for Red Cross, Polio, Cancer and T. B.

We worked hard to raise our portion of the finances to equip our County Kitchen as well as to raise our part on the Bookmobile budget.

Mrs. Hiram McCracken is now serving as Historian for District No. 2.

We had seven delegates to the District meeting in Sylva and are planning one radio program during National Home Demonstration Week. As we approach this annual event, we are ever conscious of our over-all aim of Home Demonstration work—the developing of character—courage—culture and citizenship for each of our Home Makers.

Waynesville Club
 By MRS. L. LEATHERWOOD
 The Waynesville Homemakers Club was organized in January 1947, with the purpose of each member becoming a better homemaker through Home Demonstration work. Mrs. Lawrence Leatherwood was the first president. The present officers are: Mrs. Jimmie Williams, president; Mrs. Lloyd Kirkpatrick, vice-president; and Mrs. Frank Kirkpatrick, secretary and treasurer.

There are twelve charter members, and since then two have dropped out and three new members have been added. The membership is limited because of meeting places.

The achievements of the club have been many and varied, and the members feel that their homes, family life, and social life are better for having been members of a Home Demonstration Club.

Morning Star Club
 By MRS. R. H. WORLEY
 The Morning Star Home Demonstration Club was organized on February 5, 1949. Fourteen ladies met at the home of Mrs. Jack Smathers and after the purpose and aims of the organization were explained by Miss Mary M. Smith, the Home Demonstration Agent, we voted to organize a club.

Mrs. Gordon Sharp was elected our president, Mrs. Tom King, vice-president; and Mrs. Larry Rhodamer, secretary and treasurer.

For four months after the organization of the club, we had no agent to meet with us, due to the vacancy in the county. However, the club had guest speakers for two meetings and we did little else but "hang on", until our new agent, Miss Mary Cornwell met with us in July. Since that time, we have had regular and interesting meetings.

At the December meeting, new officers were elected for 1950. Mrs. Lane Medford, president; Mrs. Henry Blythe, vice-president; and Mrs. George Wyatt, secretary and treasurer.

Our membership has doubled

Waynesville Club
 By MRS. L. LEATHERWOOD
 The Waynesville Homemakers Club was organized in January 1947, with the purpose of each member becoming a better homemaker through Home Demonstration work. Mrs. Lawrence Leatherwood was the first president. There are twelve charter members, and since then two have dropped out and three new members have been added. The membership is limited because of meeting places.

The achievements of the club have been many and varied, and the members feel that their homes, family life, and social life are better for having been members of a Home Demonstration Club.

since we organized little more than a year ago and our realization of the true meaning of the National Slogan "Today's Home Builds Tomorrow's World" serves as one of our guiding lights in planning programs for our clubs that will be helpful to each member in the realization of this goal for better homes.

Now She Shops "Cash and Carry"
 Without Painful Backache

As we get older, strom and strain, over-exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of aching backache, loss of pep and energy, headache and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may clear otherwise, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
