Message To Our Citizens

On Monday, May 15, the U. S. Savings Bonds Independence Drive opens throughout the nation, continuing through the Fourth of July. Its symbol is the Liberty Bell, enticed by the campaign theme: Save for Your Independence—Buy U. S. Savings Bonds. The year-round Savings Bonds program, of which this annual campaign is an important part, fosters the spirit of self-reliance and the urge for self-betterment that, along with individual enterprise, inventiveness, productivity and thrift have carried us steadily forward since the first settlers braved the wilderness to build a free America. Through regular savings we build up reserves against misfortune and provide income for our later years, thus lessening the burden upon others. We accumulate funds for worthwhile purchases and investments. The buying power we store up (individual savings in E Bonds alone exceed \$34,000,000,000 in cash value today) helps to stabilize business and employment through the years. As your mayor, I urge all who are able to help the volunteer Savings Bonds Committee of this city reach every possible Bond buyer during the campaign. The more we exceed our Independence Drive quota and the more we spread the habit of regular saving, through the Payroll Savings Plan or purchase of Bonds at banks and post offices, the more we shall have done for ourselves, our community and our nation. In honor of the Liberty Bell, hallowed symbol of the American principles by which we live and grow and prosper, I call upon our citizens to signal the opening of this Independence Drive by the ringing of bells throughout the city at noon and the displaying of our nation's flag on Monday, May 15. J. H. WAY, Jr. MAYOR
