

# Haywood Legion Junior Nine Opens Schedule Today

## Locals Meet Hendersonville On Road Trip

Haywood County's American Legion Juniors tackle a good Hendersonville club at Hendersonville this afternoon in the first of four games they'll play in the opening week of the Legion baseball season.

This will be one of some 200 games which will mark the opening of the 1934 American Legion Junior season in North Carolina.

Approximately 100 teams of youngsters up to "slightly more than" 17 years old are competing in every section of the state today in bids to open their campaigns on a successful note.

At the same time, today's action in a sense closes a four-month campaign by Legion officials of Waynesville, Hazelwood, and Canton to organize a Legion Junior team of Haywood County boys.

The drive started last February when representatives of the three posts drew up plans to canvass the county's schools for talent and to raise a minimum \$1,500 to pay the team's expenses in its first season.

Later, Jack Justice was elected coach and Bill Milner, Chicago Bear football star from Hazelwood, was elected manager of the Haywood club.

When Justice called the first practice in April, more than 100 boys from every section of the county responded.

Within the last two weeks, he completed the painful job of cutting the squad to the maximum 20 boys the Legion rules permit a team to carry in the opening round playoffs.

All last week, with the schools closed for the summer vacation, Justice and Milner sent their boys through drills to polish their performances for today's opener.

Just what kind of a club Haywood County has in the stiff Legion competition this season will be known by the end of this week.

However, the coaching staff isn't being too optimistic about the results of this first season; none of the boys on the squad have had experience in the fast Legion league; they'll be running up against youngsters who have had one to three seasons in the com-

Harry Jaynes, former Waynesville High School and WCTC football star, has been named head grid coach of Monroe High School.

The announcement was made last weekend by Monroe High School authorities.

He succeeds Jim Gudger, another former WCTC ace, who was appointed assistant football and head basketball coach at his alma mater.

Jaynes assisted Gudger in coaching Monroe's Pythons to an undefeated regular season.

One of Monroe's victories was a 13-0 Paper Bowl victory over Waynesville's Mountaineers.

Jaynes, coached Monroe's forward wall and spent his spare time on Sundays playing in the line for the professional Charlotte Clippers.

After graduating from Western Carolina, he taught briefly at Waynesville, then went to Monroe in time to help open the school's highly successful 1949 grid season.

## Underwood's Edge Wellco In Top Loop Tilt, 3-2

One of the best games of the young season was reeled off in the W-H softball league when the Underwood nine edged the Wellco team, 3-2, in a thriller, Thursday.

Johnny Phillips hurled a neat one hitter and struck out 16 batters as he held the Wellco team in check.

Underwood's pushed over the winning run in the bottom of the seventh when Hugh Constance slashed out a hit and scored on an error.

In the other league game, the Independents rolled to an 11-6 win over Ratcliffe Cove in a slugfest.

The Independents scored four markers in the first inning and were never headed. Limer with two for two paced the winners at the plate.

Friday night's action saw two games settled by one run margins. In the opener the Tannery scored nine big runs and then held on as the Unagusta team fought back to almost tie the score in the closing innings.

Manager J. C. Burrell, filling in as shortstop for the winners, paced the attack with three hits for four trips to the plate. Calhoun with two for four led the losers.

Tom Boyd hurled the win for the Tannery despite the fact that he gave up 11 walks. Hooper was the loser.

In the nightcap, the American Legion fell before the Dayton team by a 9-3 count. Bronson Robinson limited the opposing hitters to four bingles but 8 free tickets to first kept him in trouble.

Jim Phillips and Bob Bradley hit home runs for the winners, while Spider Medford connected for the losers.

## MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backaches, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

## Candidate For Horse Of Year Honor

A victory in the \$75,000 Belmont Stakes would give Hill Prince an undisputed claim to the title of Horse Of The Year. He's won the Experimental No. 1, Wood Memorial, Withers, and Preakness events. The only events he's lost are the Kentucky Derby and the Experimental No. 2. That's jockey Eddie Arcaro in the saddle.

## Sylva Plowboys Hand Locals Twin-Killing

The Sylva Plowboys gave the Hazelwood nine a tumble in the WNC Industrial League standings Saturday afternoon when they defeated the locals in both ends of a twin-bill, 5-2, and 8-1.

The Plowboys, behind the excellent hurling of Rex Benton and W. Deyermond, had little trouble holding the local hitters in check.

Benton was touched for only three well spaced bingles in the opener and aided by three successful double steals in the fourth inning, was in command all the way.

Dillard, with two for three and Sherrill, with two for four paced the Sylva attack.

The Plowboys wasted little time in the second tilt. They grabbed a two run lead in the first inning and were never in danger as Deyermond set the local hitters down in easy fashion.

The visitors combined 11 solid base knocks with five bases on balls to score eight markers.

Hazelwood's only score came on Dee Stevenson's base knock and a ringing double by second baseman Lonnie Bishop.

The Hazelwood lads face three rugged loop tests this week. Saturday they journey to Enka to face the much improved Rayonites and Sunday they travel to Berkley Mills for a twin-bill, postponed last week by rain.

**CASH PRIZES FOR WAITRESSES**  
For Selling Dairy Products

A nice sum of money has been set aside as cash prizes for waitresses selling dairy products during June—National Dairy Month.

A number of people—some local, some unknown to you—have the cash with them. As they eat at your place of business they will give a dollar bill if you ask them to have milk or ice cream. If by chance you fail to suggest a dairy product for their meal, they will instead give you a small card reminding you of the loss of a dollar bill.
