### Modern Roads Span Area

Some of the easiest highways to drive in all Eastern America are found in this area—engineers have worked out easy grades, and banked curves. The roads go through some apparently "rough sections" but modern road building has made it easy for motorists. The motorist finds scenery in a great variety, ranging from rugged and massive to green and restful.

### Botanist Terms WNC 'Paradise'

"This area is a botanist's paradise," declares R. C. Burns, Park Naturalist of the Smoky Mountains National Park, as he gives illustrated lectures in this area. "In this area," said Burns, "naturalists have classified more than 131 different species of native

### WINDS CAUSE DAMAGE

High winds accompanied by a downpour or rain ripped open a barn and overturned a silo last week on the former C. C. Cranford farm in western Randolph County.

trees—more than can be found in all of Europe. The always beautiful, yet constantly changing face of nature in this region creates for the tourist of western North Carolina a real problem as to when he should make his visit."
