Iowa Boy Made Many Friends In Visit Here

By RONALD ORNDUFF
Ainsworth, Iowa

(Ronald was one of the 4-H Club members from Washington County, Iowa, who visited Haywood County last week. During his stay here, he was a guest in the home of Mr. and Mrs. Roy B. Medford of Iron Duff. Below, he tells of his impressions of his visit here.)

I would like to thank the Extension leaders of my county and of this county who have made it possible for the exchange of the 4-Hers which was inaugurated last year.

I feel lucky to be one of the number to be selected to come here.

It certainly has proven its purpose, both educational and recreational.

I have enjoyed all the entertainment provided for us. I had never been through a paper plant at The Champion Paper and Fibre Company in Canton, nor an estate like the Biltmore, and the fine Hereford cattle were a sight to see.

There couldn't be anything better than the Cherokee Drama, "Unto These Hills".

And all the barbecues were grand and enjoyable.

I found the people here to be most friendly and courteous to us.

I have been told of the Community Development Program and have spent my time in one of the winning communities with Thad Medford as my host (Thad is the son of Mr. and Mrs. Medford. Iron Duff placed second in the 1949 Community Development Program county-wide competition).

I don't wonder that these people here in Iron Duff are one of the winners, for they are wide awake and full of ideas for entertainment.

The first night, I was taken to a ball game. On Tuesday, I went on a field day trip, and that night to

are friendly, and the scenery can't be beaten anywhere. We recommend the Soco Valley Motor Court.

Mississippi Pastor At Junaluska

The Rev. Dr. Henry M. Bullock, minister of Capital Street Methodist Church, Jackson, Mississippi, is attracting large audiences daily at 11 a. m. to the Auditorium of the Lake Junaluska Assembly, where he is conducting a Bible Hour series under the auspices of a south-wide Conference on Christian Education in session here, August 13-19.

In his talks Dr. Bullock will unfold the Bible story from Genesis to Revelation, showing how the prophetic books and other writings came into being to meet the needs of the changing times, and trace the historical happenings and more important developments in religion from the creation up to the time of Jesus Christ.

In his first address, Dr. Bullock outlined seven principles of Bible study, as follows: Obtain a large print Bible, easy to read and in modern language if preferred. Remember the Bible is a library of many kinds of literature, not a single book. It contains biography, history, poetry, letters, fiction, drama. But it has unity, because of the thread of religion that runs through it.

On Wednesday and Thursday, there was more entertainment, by the county agents and civic clubs.

On Friday afternoon, there was a Coca-Cola party, a dinner party, and then another party that night in Iron Duff.

Saturday was spent seeing Lake Junaluska, the Fish Hatchery, and several other scenic spots.

There was another good barbecue that evening and a fare-well party at the Haywood County 4-H Camp, which is a wonderful place for a good time.

I have enjoyed every day of my stay here and I hope to be able to visit Haywood County again.

I must not forget to mention the square dances. I learned to dance by having a good partner to the extent of maneuvering my way around the ring at the big square dance at the Armory.

I want to thank everybody who certainly went all out to give the Iowans a good time.

So this is goodbye for a while to all the friends I made here. I hope to come back again some time.
