Peter Became a Man of Power ILLUSTRATED SUNDAY SCHOOL LESSON

Peter denied that he knew Christ at His Lord's trial, but after Jesus rose from the dead and appeared to His disciples, the Holy Ghost came upon them, and Peter was filled with courage.

Peter and John went to the temple, and there saw a lame man who asked alms. The disciples said they had no money. but what they had they would give, and they healed him.

Peter and John were arrested by church authorities, and tried, for they were converting thousands. They were forbidden to preach Christ, but they were not harmed, because the priests feared the wrath of the people.
