## THE YOUNGER SET

By ANNE BISCHOFF  
High School Senior

Waynesville Hi's first football game is behind them now, and they won it by a score of 42-0, with the Sylva "Hurricanes" being the opposing team.

J. C. DeWeese proved to the fans that he is going to be an even greater threat than he was last year, and made three of the six touchdowns.

Bill Sutton's kicking was the outstanding feature of the game, and he also gave the most spectacular individual performance of the game.

He averaged 66.6 yards per punt and 49 yards per kickoff, which is believed to be the highest average for a single game in the state.

His first kickoff went 63 yards, the second one went 64 yards, and the last one went 73 yards.

In the backfield James Moss and J. C. proved to be the greatest ground gainers. James had an average of 8 yards per rush, and J. C. an average of about 8.2 yards per rush.

The biggest part of the game was played by the "B" teams. The first string players played only about one quarter altogether.

The military band gave an outstanding performance during the half.

They marched down the field until they came to the Sylva cheering section, and then formed the letters "HI" and played "Hi Neighbor".

Next they made a football and played the school's "Victory" march.

After that they made a soda shop, then a coke, and then a juke box and played "Put Another Nickle In".

They came out of that and into a "W" for Waynesville.

The last thing they did was form a double line for the team to come back of the field through.

The rain didn't dampen the spirit of the team or of the band and seemed to dampen only the spectators a little.

The cheerleaders weren't bothered by the rain, either. Charles Alley came up with a yell every time there was a chance to yell.

It was a very good performance by the team, the cheerleaders, and the band.

Last week was election week at Waynesville Hi.

Tuesday, the Library Assistants met and elected their officers for the coming year.

Marietta Dillard was re-elected president of the club, and Braxton Crocker is vice-president.

Mourlove Carver was elected secretary-treasurer, Shirley Sheffield, reporter, and Jennifer Hamm, historian.

Student Council president Linton Palmer, announced the returns of Thursday's election of class officers on Friday.

Betty Farmer was elected president of the senior class, with other senior class officers being: Charleton Davis, vice-president; Alden McCracken, secretary; and Tommy Boyd, treasurer.

J. C. DeWeese heads the junior class as president and Frank Enloe is vice-president. Patsy Ezell is secretary, and Lane Prevost is treasurer.

The sophomores elected Norma Joan Winchester as president and Charles Messer as vice-president, with Carolyn Abbott as secretary and Patsy Blalock as treasurer.

Barbara McClure will lead the freshman class with Billy Rogers as her vice-president and Mary Sue Morgan as secretary. Eileen Gerlinger is treasurer.

These officers make up the Student Council and the laws by

which the students govern the school.

The Student Music Council held its election of officers on Friday.

Mark Rogers, a senior, was elected Student Director, and Betty Noland, also a senior, was elected Assistant Student Director.

## Practical Joker Goes Too Far

BLOOMINGTON, Ill. — Mrs. R. R. Abbott can take a joke but this one went much too far.

It started when a truck arrived at her home with a load of ready-mixed concrete. She thought it was just a mistake.

Then other trucks drove up to deliver 50 pounds of ice cubes, groceries, a gallon of ice cream and \$20 worth of whiskey, and to pick up cleaning, taxicab passengers and a dog, and to fix a flat tire.

The next day, workers came to deliver more ice cream, pick up junk, bring a load of furniture, fix the washing machine, measure the house for window shades and Venetian blinds and carpets, estimate the cost of a heating plant, and to sell a vacuum cleaner.

Mrs. Abbott called police. Chief S. Clyde Hibbins said he'd had reports of such phony orders in the past but this was the worst he'd
