Keep Wool Clean
 Clean wool brings the highest price on the market. W. B. Connell, extension livestock specialists of the Pennsylvania State College, urges sheepmen to shear on a clean, dry surface and to keep all trash out of the fleeces. Shear only when the wool is dry and tie the fleeces with paper twine.

Hearty Fare For The Football Crowd

HAM 'N' CHEESEBURGERS ... With applesauce cake.

Hardware-Eating Cattle
 Cattle owners: If there's a needle in your haystack, better find it. For, loose hardware that finds its way into cattle feed is getting to be a multi-million dollar headache for the livestock industry. Nails, pieces of balling wire, and other sharp objects that fall into hay and grain eaten by cattle often pierce the stomach wall and puncture the heart, causing death.

If you're planning to bring a gang home with you after a college football game here are suggestions for your food fare. The ham 'n' cheeseburgers are different—and delicious, too. The applesauce cake is made from a packaged mix and so takes no time at all.

Be sure to have lots of very hot coffee that's been brewed well to accompany the 'burgers and cake. Remember that the proper proportions are two level measuring tablespoons of fresh coffee to each three-quarters of a measuring cup of fresh cold water for each serving. In making drip coffee I measure the cold water and put it into my teakettle, and while it is coming to a boil I measure the coffee and put it into the basket, then when the water is boiling I can pour it into the drip pot without measuring it again. The trick of having uniformly good drip coffee is always to measure both coffee and water and to use a well-designed drip coffee pot.

HAM 'N' CHEESEBURGERS
 Ingredients: Hamburger buns, mustard, ham salad, sliced American cheddar cheese, broken walnut meats, parsley.
 Method: Halve hamburger buns; spread with mustard. Top with ham salad; add slice of cheese. Sprinkle centers with walnuts. Broil until cheese is bubbly. Garnish with parsley. Serve at once.

QUICK APPLESAUCE CAKE
 Ingredients: 1 package white cake mix, 1 egg, 1/2 teaspoon nutmeg, 1/2 teaspoon cinnamon, 1/2 teaspoon allspice, 1 cup applesauce.
 Method: Pour contents of package of cake mix into mixing bowl. Add egg, nutmeg, cinnamon, allspice, and applesauce. Beat thoroughly three minutes by hand or with an electric mixer at low speed. Pour into two well greased 8-inch square layer cake pans. Bake in moderate (350° F.) oven 35 to 40 minutes. Cool. Fill and frost with Mocha Frosting.

MOCHA FROSTING
 Ingredients: 1/2 cup butter or margarine, 4 tablespoons cocoa, 1 pound confectioners' sugar, 1/2 teaspoon vanilla, 3 tablespoons (about) strong cold coffee.
 Method: Cream butter or margarine until consistency of mayonnaise. Add cocoa while continuing to cream. Add sugar gradually, while beating. Add vanilla and enough coffee to make frosting fluffy and easy to spread.
