

3 Insurance Firms Can Drop Auto Rates

RALEIGH—(AP)—Three insurance companies have received permission from the State Insurance Commission to lower their automobile insurance rates.

One company asking similar permission was turned down in orders issued yesterday by Insurance Commissioner Waldo Cheek.

Five companies got an okay to lower their fire insurance rates while a sixth petition was disapproved in other orders.

All the companies had petitioned for approval to sell their coverage at rates lower than those quoted in the manual for North Carolina.

The Farm Bureau Mutual Automobile Insurance Company of Columbus, O., was permitted to sell at a 25 per cent reduction on all auto insurance lines except fleet, garages and non-ownership.

Approval also was given to the State Farm Mutual Automobile Insurance Company of Bloomington, Ill., to sell at 25 per cent below the manual and New York Central Mutual Fire to sell its physical damage auto at 15 per cent below the manual.

The American Fire and Casualty Company of Orlando, Fla., was turned down on its request to sell all its auto coverage 10 per cent under the manual. However, the same firm won permission to sell its fire insurance lines at a 10 per cent reduction.

Petitions for 15 per cent downward deviations were approved for the Home Mutual Fire Insurance Company, the Otisgo Mutual Fire Insurance Company and the New York Central.

A petition by the Utica Fire Insurance Company of Utica, N. Y., for a 15 per cent reduction in fire, plate glass and burglary and allied lines of coverage was okayed.

Rejected was a petition by the Badger Mutual Fire Insurance Company for a 15 per cent reduction in rates set up by the N. C. Fire Insurance Rating Bureau.

The whole Mountaineer team played such outstanding football last Friday night at Hendersonville that there weren't any outstanding players to give the free movie passes to the Strand Theatre this week.

Mr. Tutor, manager of the Strand, said that the first time he had a real good movie showing that he would just let the whole team in free.

Last Saturday was party night for lots of people.

Vivian Gilliland was hostess of a birthday party in honor of her 16th birthday, at the American Legion Hall in Hazelwood.

Dancing was the main feature of the evening with games being enjoyed by all also.

Vivian had the hall decorated with blue and yellow as the color theme, and all the comments about the party were about how nice everything turned out.

Vivian received several very lovely gifts and looked very happy to be "sweet sixteen".

The FFA and the FHA Clubs of Waynesville Hi had a wieners roast at Seay's Motor Court Saturday night with Braxton Crocker as hostess.

Mr. and Mrs. John Nesbitt, faculty advisors for the two groups and Mr. and Mrs. Seay, and Mrs. W. E. Carter assisted the hostess. The girls were in charge of the food and the boys had charge of the entertainment.

The first thing they did after they ate was to select a quartet composed of Mary Jane Rogers.

THE YOUNGER SET

By ANN BISCHOFF
High School Senior

Braxton, Betty Noland, and Joyce Carter. They sang "Goodnight Irene" for their selected number.

Afterwards they played, and learned some new games.

The Canton High School Band, which is improving with every performance, gave an outstanding one at the Canton-Asheville School game Saturday night.

The band came on the field in broken rank formation and did several march steps after which they faced the Canton cheering section and made the letters "PAT" which stood for Pat Long, a member of the band who is now in the hospital with polio.

They played "He's A Jolly Good Fellow," and the crowd stood and joined them by singing the words to the song.

After paying the tribute to Pat they left the field.

It was a very impressive performance and the band looked like they are going to give Waynesville's Band some stiff competition.

Oh, and incidentally, Canton won that game 28-6.

The Waynesville Hi football team and the fans are getting ready for the battle with Christ School Saturday night.

The team is putting in some extra practice because the Greenies are supposed to have a much better team than they had last year.

The cheerleaders and the cheering fans are getting ready to give the team plenty of support and pep.
