

Welcome
To Haywood County's
FIRST ANNUAL

APPLE HARVEST FESTIVAL

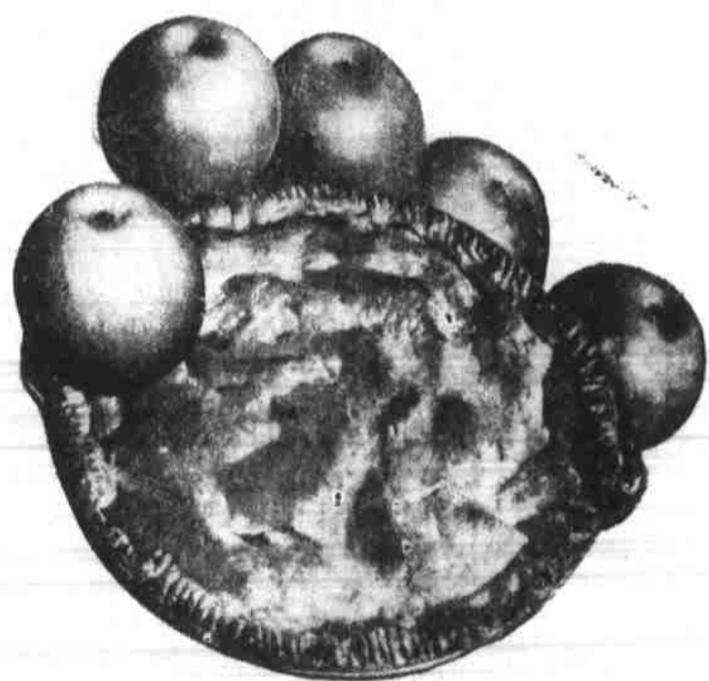

One of Our GREAT Civic Events

OCT. 28 -- NOV. 4

Officials of the city and county wish to congratulate the Haywood County Apple Growers Association and salute the apple growers of Haywood County for the fine crop produced this year.

Haywood County is now among the top apple producing counties in North Carolina and it is our honest belief that we will continue to produce more and better apples in the years to come, thus becoming one of the greatest apple producing centers in the South.

We cordially invite you to attend and participate in the many events scheduled here in Haywood County in celebration of National Apple Week and Haywood's first annual Apple Harvest Festival.
