

—fit for a king—'Apple Pie'

Yum, yum, deep dish apple pie—nice and hot. Not a bad looking cook, either.

There's A Lot Of Good Eating Here

A typical limb of a loaded apple tree that has "brought forth good fruit in its season."

Apples are carefully graded by experts.

Fried Apple Sauce

"The makin's" above will surprise and delight the family. Fried apples are a national favorite. Fried apple sauce is a palate-tickling, easily made, no sugar variant. Fry out 6 slices of salt pork. Remove rashers from the skillet. Into the fat, slice 5 or 6 apples, and cores removed, but leave the fat. Let them fry for a few minutes. Add 3/4 cup molasses. Cover and cook until the apples are tender. Remove cover and cook until the molasses is absorbed.

Cocunut makes wonderful quick macaroons. Just mix one and a half cups of shredded cocunut with a half cup condensed milk, a dash of salt, a teaspoon of vanilla and a teaspoon of grated lemon rind. Drop on greased baking sheet (an inch apart) and bake in a moderate oven until golden brown.

MECHANICAL RESPIRATOR MADE

PITTSBURGH, Pa.—(AP)—A mechanical artificial respirator has been developed for victims of drowning, electric shock, poisonous or suffocating gases, heart attacks, and others whose breathing has suddenly stopped.

The new device, called a "Pneolator," delivers oxygen to the victim's lungs at pre-set pressure. It automatically shuts off when the proper amount of oxygen has reached the lungs, according to the firm which developed the apparatus—Mine Safety Appliances Co.

Pickers Go Up And After Ripe Fruit

Picking apples is a job that demands extreme care. Rough handling causes the fruit to spoil.

Apples Get a 'Brush Off'

Cleaning and polishing apples is one of the big jobs in packing. Here is a view of how the fruit passes under the brushes.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

WOODPECKERS HAVE COMPANY

DALLAS, Texas — (AP) — Texas woodpeckers are finding there is no privacy atop power line poles.

One of the duties of Ed Slover is to look for woodpecker holes in poles as he flies 2,600 miles of Texas Power and Light Co. high tension lines in his single engine plane. As he risks his life almost daily at an altitude of 48 feet or less, he also looks for broken insulators, sagging wires and other indications of trouble.

Slover uses a recording device to report troubles as he flies. When he lands, the record is turned over to maintenance crews.

NEW MEXICO HAS SPRING IN FALL

ALBUQUERQUE — (AP) — A warm autumn has turned the seasons upside down in New Mexico.

An Easter lily bloomed lustily in Albuquerque, lilacs and crabapples bloomed at Clayton, just below the Colorado line, and strawberries awaited picking at Carlsbad, in the southwest.

Temperatures have averaged 70 degrees—6 1/2 degrees warmer than normal for October.

Apple Bran Muffins

Muffins are always a treat. Bran muffins are better; and apple bran muffins have two advantages—added richness of taste, and they will keep nicely for a week; need only re-heating; a characteristic of apples in breads.

- 3 tablespoons shortening
1/4 cup sugar
2 cups grated raw apples
2 eggs
1 1/2 cups bran
3/4 cup milk
1 1/2 cups sifted flour

- 1 teaspoon salt
4 teaspoons baking powder
Blend shortening and sugar thoroughly. Add eggs and beat well. Stir in apples, bran and milk. Let soak until most of moisture is taken up. Stir flour with salt and baking powder; add to the first mixture and stir only until flour disappears. Fill greased muffin pans two-thirds full and bake 400° 30-40 minutes. Yield: 12 muffins 2 1/2 in. in diameter.
