

Waywood Football Powers Meet Loop Foes This Weekend

Beaten Canton Clash With Asheville

Canton will meet Asheville at the school field Saturday afternoon. The Blue Ridge Conference champion Asheville will be looking for a rebound from a 1-4 record, the Black Bears. Asheville is "in" unless they are completely out of the conference. Asheville, however, is willing but deficient in power, may have Taylor, Sylvester available for the first time since the season. Tommy Mebane, and End, together with End, will give the Greensies a fine passing attack, a fine punting, and better-than-average. Mountaineers Close Home Schedule Against Blues

Waynesville High School's Mountaineers will play their final home game of the 1950 football campaign here Saturday night. The opponent will be Asheville School, and the result will go on the Blue Ridge Conference record. Coach Carleton Weatherly said the kickoff is scheduled for 7:30 p.m. The Blues, sporting their perennial crop of large gridders and a passing ace named E. C. Smith, have had a couple of disappointments this season, dropping a close one to Biltmore and a 26-6 decision to undefeated Canton. They bounced back from the Canton defeat, however, by smothering Bethel, 62-6, highest tally run up by a Blue Ridge Conference eleven in the last four seasons. The Mountaineers, however, with only a 6-0 loss to Canton and a 14-13 loss to Lenoir's Western AA Conference leaders, are tabbed as favorites. Coach Weatherly indicated that all the regular starters might be available for the first time since the Lenoir game on the last weekend in December. He also observed that the reserves, whose inexperience posed the Mountaineers' most serious problem at the start of the season, were developing satisfactorily. This contest also will be the final loop game of the season for Waynesville. A victory would keep the Mountaineers in the running for their third straight title, and at the least clinch the runner-up spot. The chances of making it three straight crowns, however, are all but gone, since Canton faces only undermanned Chris School (Saturday afternoon) and Brevard, loser by 41-0 to Waynesville last weekend, in its remaining loop games. Waynesville and Canton will get together Thanksgiving Day for their traditional battle and second meeting of the season. But it is on the books as a non-conference engagement, since the earlier battle between the two neighbors this season was the loop test. End Wade Francis, injured in the Hendersonville game two weeks ago, has seen the two succeeding games from the sidelines. But he is expected to be ready to go Saturday night. Probable starting lineup for Waynesville: Ends—Metcalf and Sutton; tackles—Nichols and Setzer; guards—McCracken and Hipps; center—Boyd or Evans; quarterback—Fugate; left half—Moss; right half—C. Swanger or T. Swanger; fullback—DeWeese or Ross.

TAILBACK JACKIE CALVERT (left) and **FULLBACK FRED CONE** (right) are largely responsible for the fact that Clemson's offensive has been rolling in high gear through four games and helped keep the Tigers undefeated. Clemson won three straight before being tied by South Carolina.

Bethel Meets Candler In Bid For Third Victory

Bethel's Blue Demons already have made this season the most successful in their school's short gridiron record. They'll try to improve on it Friday afternoon, at the expense of a tough Candler eleven which has lost only one game so far this fall. The contest is scheduled for 3 p.m. at Candler. The victory over Sand Hill in September actually assured the Demons a better season than their first, which came last year when they came through six games with five losses and a tie. The win over Clyde last Friday in the first of the projected neighborhood battles between the two schools, made the season a success. The Demons could go through their remaining three games without a loss, though they will be underdogs in the Candler game. After that one come the contests with the Waynesville junior varsity, and the second game with Clyde. Both Bethel and Candler had trouble subduing the Cardinals. Candler, opening Clyde's first season, had to come from behind in a free-scoring battle to gain a 40-26 victory. Bethel pushed over two touchdowns in the first period, but went

WBC Gains In Bowling Loop Play

Victory-Hungry Cards Face Hot Springs At Clyde

Clyde High School's victory-hungry Cardinals will tackle a tough Hot Springs eleven at Clyde Friday afternoon in their sixth attempt of their first season. The Cards were shut out for the first time in five games last Friday when they succumbed to Bethel's Blue Demons, 14-0. The two teams will close the season November 17 with their second engagement, scheduled for Bethel. This weekend's contest will be the next-to-the-last of the season for Coach Hugh Constance's Clyde boys. The record so far, though it doesn't show a win, is a good one for a team in its first season.

CAT CASTLE IN AIR

BETHEL, Minn.—Cats usually go up trees to chase birds, but Will Vronyak says his cat went up a tree to live like the birds. The cat gave birth to three kittens and is housing her brood in a dead limb 25 feet off the ground.

Howell Motor Company regains a gain on first-place Welco in the Waynesville Women's Bowling League campaign Monday. Howell defeated Welco, 2-1. Welco No. 1, in third place, up the pace by shutting out A. Lawrence, 3-0, and fourth-place Farm Bureau Mutual Insurance defeated Dayton, 2-1. Medford Leads In Men's Loop

Wilson Medford climbed up from third place to nudge Julius Riggins out of the lead in the Waynesville Men's Bowling League individual scoring race. Medford's work last week gave him an average of 163.8 per game for each of 17 games. His handicap is 12. Riggins' average now stands at 159.14 per game for the same route. He has a handicap of 15. - "X" on an air man's map shows where to bomb.
- "X" in algebra stands for the unknown quantity.
- "X" on a certain piece of paper marks a spot where Freedom rings, for that's the "X" we mark on an Election Day ballot.

Let this burn in: So long as every one of us has the right to vote, to vote exactly the way he wants to vote and to have that vote count, so long shall we have Freedom. If we ever lose that right we might just as well knuckle under to the first dictatorship that comes along. (45 million qualified voters didn't show up at the polls at the last Presidential election.)

Voting costs nothing. Not voting can cost your liberty.

There are men—and women—fighting now—for Freedom.

Can we do less than keep the Big Muscle of Freedom strong by exercising it at the polls Election Day?
