

Son Shoots At Father In Court

Charles S. Gates (right), a taxicab driver, is escorted from the courtroom after firing three shots at his father in the crowded chamber of Superior court at Raleigh. The bullets went into the walls but no one was injured. Without warning, the cab driver whipped out a pistol and opened fire on the father, C. B. Gates who is now on indictment on a charge of assaulting his wife. The attack brought young Gates a sentence of 30 days in jail and a \$100 fine and contempt of court. (AP Wirephoto).

East Waynesville School Accredited By State

East Waynesville School has been accredited for the new school year by the State Department of Public Instruction.

Principal Frank L. Rogers was informed of the school's achievement in a letter he received this week from J. Henry Highsmith, head of the state department's Division of Instructional Services. Dr. Highsmith said the state's action followed an examination of the report on the East Waynesville School's 1949-50 session.

The school, with an enrollment of 231 students, became the fourth elementary school in the Haywood County school district to gain the rating of accredited. (The Canton schools are not in that district.)

Previously accredited were Central Elementary of Waynesville, Hazelwood Elementary, and Crabtree-Iron Duff.

All of the county's high schools are accredited.

THE YOUNGER SET
By ANNE BISCHOFF
High School Senior

Danny McClure is one of the outstanding students around Waynesville Hi this year. He has his own radio program among his activities. As vice-president of the Student Council he is doing an outstanding job. His speaking ability is one of the characteristics that most people know him for. Last year he won the UDC singing contest and since that time he has made many speeches on various causes.

In the recent Crusade for Freedom he made speeches at several elementary and high schools in the county in behalf of the crusade.

He is included in his activities with the JayVee football team and is one of the most talented players on the squad. In a recent game with Canton he almost won the game for Waynesville. He played a very good game, both offensively and defensively.

The students also think a lot of him. He is a junior representative on the annual staff and a very hard worker there, too. The students are all looking forward to next year when Danny will be a senior to see just what else he is capable of undertaking and doing an excellent job of it.

The Waynesville Hi Yannigans beat the Canton Hi JV's to a 7-0 lock Monday night. Earl Owen, Waynesville end, picked up a partially blocked Canton player and ran it over for the lone Waynesville Hi touchdown.

The passing of Charles Messer, the running of Ted Noland, and the kicking of James Robert Moore proved outstanding in the Yannigans' backfield. Captain Manuel Hooper and Buchanan seemed to be the outstanding linemen, but the whole team showed much improvement over previous games and turned out to be a well-coached team. Their next game is tomorrow night with Bethel at the local stadium.

The midge teams around here are certainly growing. They all started when Joe Hipps and Henry Nichols, both starting linemen for the Waynesville Mountaineers, decided that they would organize a midge team at Bethel where they live. They then discovered that they
