

THE YOUNGER SET

By ANNE BISCHOFF
High School Senior

The Dramatics Class of Waynesville HI gave the first play of the year Thursday morning. "Betty's Bargain" was the name of the one-act comedy. Sylvia Camlin played the part of Betty's sister who made the bargain with her. Betty was played by Claudine Ferguson. Betty Sutton was the future mother-in-law that Sylvia was trying to make a good impression on. Donna Jo Queen played the part of Betty's mother. Friends of Betty were Barbara Teague and Sara Jane Davis.

The play was quite a success. The students enjoyed the fine acting and the comedy of the play. Already everyone is looking forward to the next presentation by the class.

Betty Bass, ninth grade English teacher, is instructor for the group. This is the first time that dramatics has been offered as a course for the sophomores.

The FHA meeting Thursday afternoon was quite an interesting one. Nell Scruggs had charge of the program. After the devotional she had members of the club who made the trip to the district rally in Shelby tell about the trip. It was quite interesting to those of us who couldn't make that trip.

June Blanton told about the bus ride down there, followed by Braxton Crocker who told us about the morning session. Ruth Nichols then told us about the afternoon session.

Mourienne Carver, president of

the club, announced that the next meeting was to be a dinner meeting, and all the members seemed to approve of the change from the regular meeting in the Home Economics Dept. of the school.

The Waynesville HI Yannisians just can't seem to get started this year. They tied the Canton game and we thought they were on the right road and would win their next games, but we were wrong. They were defeated by the Bethel HI Blue Demons Friday night, 14-0.

The boys just had tough luck in the Bethel game. And then the Bethel boys have a much improved team this year, too.

Again this Friday night the Mountaineers and the cheering fans will board buses to take them to Marian for the last night game of the season.

The Senior music Students Homeroom is sponsoring a bus, with Joyce Carter selling the receipts. They figure that they'll probably have to take two buses because the Military Band isn't going and that means that some of the band students will be going as cheering fans this time.

These bus trips are always loads of fun. The last one was to Elizabethton and it was sure fun (or at least the students said that they had a wonderful time).

If you were passing through the halls around WTHS Wednesday morning you probably heard eight girls moan and groan everytime they took a step. You would also notice Ann Coman Crawford had a great big bruise on her forehead. You could also see Nancy Bischoff had a cut lip and part of a tooth missing. I suppose you're wondering what happened to these girls.

Well, they decided if everyone else was playing football they would too. So Wednesday morning at ten-thirty, Ann Coman, Nancy, Harriet Gibson, Mary Ann Byrd,

Coming To The Strand

James Millican has the advantage of unarmed Robert Taylor in a tense scene from "Devil's Doorway", coming to the Strand Theatre Sunday, Monday and Tuesday.

Eileen Geringer, Buzzy Watkins, Julia Ann Calhoun, and Letitia Schenck met at the East Waynesville School. Mary Ann and Julia Ann were chosen captains.

Nancy, Harriet, and Ann Coman made up one team. Julia Ann, Buzzy, Eileen, and Letitia the other.

In the first quarter Julia Ann's team had a slight edge but at the end of the game Mary Ann's team won 30-27.

Of course all this couldn't go on without the boys knowing. They thought they would really have a laugh, but I believe they agreed in the end that the girls played a pretty good game.

Surprise! Surprise! Yes, Joe Hipps had a surprise birthday party Saturday night.

All the guests came about 7:30 and then Joe came back home at 8:00. His parents had let him leave the house and then called him home. He was sure surprised!

The party was fun. Bingo and other games were enjoyed by everyone and Joe received a lot of lovely gifts.

His birthday was really Monday, but Saturday night is a better night to have a party.

All of you know Joe, I'm sure. He's one of the co-captains of the Waynesville HI Mountaineers and is always among the outstanding linemen. (Usually he is the outstanding lineman.)

When I picked up the Charlotte Observer the other day, I noticed an article about Bill Sutton, Waynesville HI's kicking star.

I took up three columns in the paper and told about his football career from his freshman year '41 now. At the present he is leading

the state in punting, with an average of 49.7 for eight games.

The article also mentioned that Bill is star center for the Mountaineer basketball team, alternate pitcher and outfield player on the baseball team, and a track man.

In the Blue Ridge Tournament last year he easily won the throwing of the baseball and football.

While in Florida he was named to the All-South Florida team and he was the State's highest individual schoolboy scorer.

We'll probably be reading a lot more about Bill in the years to come because he has plans to attend some big college or university and continue his football and basketball.

The trophy has arrived at Reliable Jewelers that is to be awarded to the most valuable football player of 1950.

The trophy is approximately 15 inches high and has a football player standing on the very top. Right now it is in the window at the jewelers.

The player is either kicking or has just kicked a ball and is standing in that pose.

The gold trophy has a handle on each side which adds to the attractiveness of it and will have the player's name engraved on it.

The boy who wins this trophy will have something to cherish for the rest of his life.

Although it's unofficial we hear that Bill Sutton, Waynesville HI Mountaineer end is leading the race at the present time. If you haven't voted be sure to cast your vote before the Thanksgiving Day game.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.
