

Christmas Cards Spotlight Nativity

AP Newsfeatures
The trend back to religious themes in Christmas cards, begun several years ago, appears to be stronger than ever this year. Greeting card manufacturers the country over report that demands for greetings carrying a spiritual keynote are at peak levels. Now, for the first time, the American Artists Group is releasing an entire book of religious greetings. Here are four representations of the Nativity, taken from the group. **ARIZIN IS TOP ROOKIE
IN PRO BASKETBALL**

PHILADELPHIA —(AP)— Paul Arizin is proving just as adept at scoring with the pros as he was during his basketball days with Villanova College. He appears to be the outstanding rookie in the National Basketball Association.

In one three-game period he tallied 76 points for the Philadelphia Warriors and is one of the big reasons why Coach Eddie Gottlieb's team heads the Eastern Division.

Arizin, a member of The Associated Press All-America quintet last spring, never played high school basketball. Even as a freshman at Villanova he failed to turn out for the sport.

A group of Spanish colonists, first white settlers in the Southwest, arrived in what is now New Mexico in the year 1598.
