Honor Students Named At Waynesville High

That a variety of outside interests is no bar to high scholastic standing is proven by today's announcement of the valedictorian and salutatorian of the 1951 graduating class of the Waynesville Township High School. Both Margaret Reece, valedictorian, and Betty Franklin, salutatorian, have successfully maintained "A" averages while taking part in school, church, and civic work.

Margaret holds a record of straight "A's" for her high school career. She found time, however, to become a charter member, and later president, of the Tally-Ho Dramatics Club, and to act as treasurer of Masque and Gavel Society.

Betty was off to a flying start in her freshman year as historian of the Future Homemakers of America Club, and has been its song leader this past year.

Both girls are members of the staff of the high school annual—Margaret as assistant business manager and Betty as a member of the advertising staff. Margaret was also her class representative on the annual staff during her junior year. She is a former member of the staff of the Local Yoke, the high school paper.

A strong interest in music is shared by both. Margaret has been a member of the mixed chorus for four years. She sang with the Festival Chorus at Woman's College in Greensboro in 1949, as well as representing the school on Field Day at Western Carolina Teachers' College. Betty is president of the mixed chorus, and is not only the accompanist for the chorus, but official pianist for the school. She received a high rating in the District Music Contest in Asheville in 1949.

Church membership plays an important part in the lives of both girls. Margaret is a member of the choir of the First Methodist Church, and served for three years as president of the Methodist Youth Fellowship. Betty puts her top rating in the high school commercial department to good service as secretary and treasurer of the Francis Cove Church.

Margaret was winner in November of the annual Citizenship Pilgrimage Contest of the Daughters of the American Revolution.

As a member of a senior Girl Scout Troop, she holds the rating of First Class Scout.

She is the daughter of Mr. and Mrs. Roy Reece of Winston-Salem, and makes her home in Waynesville with her aunt, Mrs. L. H. Bramlett. Next year she plans to attend the Woman's College of the University of North Carolina.

Betty is the daughter of Mr. and Mrs. G. W. Franklin of Francis Cove. She expects to spend a year at Mars Hill College, and follow that by a major in business at Blanton's Business College.

Tobacco—Hiram McCracken, chairman.

Program—Mrs. Fred Farmer, chairman; Mrs. Blanche Franklin, Mrs. Delmas Caldwell, Mrs. Dave Smith, Bill Hembree, Betty Farmer, Joyce Caldwell, R. L. Hendrix, and Mrs. Nathan Norman.

Scrapbook—Betty Farmer, chairman; Joyce Caldwell, Maye Wyatt, Mary Jo Hembree, Mrs. Blanche Franklin, and Mrs. Harry Middleton.

Refreshments—Mrs. Delmas Caldwell, chairman; Mrs. Ernest Medford, Mrs. E. K. Chambers, Mrs. Charlie Duckett, Mrs. Hiram McCracken, Mrs. Moody Farmer, Mrs. Harry Hembree, Mrs. Elmer Hendrix, Mrs. Luther Allen, Mrs. H. M. Allen, Mrs. C. L. Allen, Mrs. Fred Farmer, Mrs. B. Hembree, Mrs. L. B. Franklin, and Betty Farmer.

Every member of the Community Development has been named a member of the Visiting Committee.

Previously elected officers of the program are: The Rev. C. L. Allen, chairman; Rufus Siler, vice chairman; Charlie Duckett, secretary; Mrs. Elmer Hendrix, treasurer; and Mrs. Bill Hembree, reporter.

THE YOUNGER SET

By ANNE BISCHOFF
High School Senior

It was a big day over at WTHS last Tuesday. Instead of the usual chapel program, we had a Talent Show. Each homeroom paid fifty cents for admission. The sum total of these "fifty cents" was given to the Polio Fund Drive. The Student Council sponsored our "free for all" and asked that all Senior High Students show the world their talent. And you'd be surprised just how much talent we have in those dark, "ole hallowed halls!"

It was a gala event with all the girls dressed up in their pretty formal and the boys in their "Sunday Suits". One would never have known this was chapel. The program consisted mostly of vocal and piano numbers. Nancy Francis accompanied Sarah Jane Garrison on the piano while she sang, and she really made us drift and dream to "Nevertheless".

A great deal of talent burst forth in the form of oral recitations and impersonations. John Calhoun did some clever impersonations of well-known celebrities. "Mary Cary," a hilarious reading of the glad girl, was given by Margaret Noland.

Julia Ann Calhoun strummed away wonderfully well on her Uke. By the way, this Uke has a very exciting history. Julia Ann's aunt had it way back in 1918 at Carolina, "The Hill" you know. It has "My Sweetie," "Five Foot Two," "Missouri Waltz," (not Tennessee) and other current tunes from way back then carved on it. There are also hearts, initials, and fraternity symbols carved all over it. On this magic Uke, Julia Ann played "Two Steeple People" and other popular songs.

A very novel number that surprised the entire student body was that of the High School Clodhoppers. Harry Kerly rushed out onto the stage, and yelled "Everybody grab your partner and join the dance!" The previously picked couples for this act ran to the stage and began square dancing madly.

It was really a grand program, and we all enjoyed it very much. Thank you Student Council! Let's have more of our wonderful High School talent.

girls, tell him who it is and let him begin proposing. Only don't let him hear your father come and take the gal's place. The gang will die, trying not to laugh, and when you take off the blindfold, they will explode—so will Romeo.

Malcolm Williamson, Jr., one of our Waynesville High Seniors has proven himself an able speaker again. A few weeks ago, he heard of a contest being sponsored on the subject, "The Republican Party and The Future". Before we knew it, he had written his speech and won first place at the State Republican Convention held in Winston-Salem, competing with students from all over the state. He was awarded a check for \$100 for first prize and invited by Senator Owen Brewster to speak on the same subject at the National Republican Lincoln Day dinner held in Washington, D. C. on February 5th. Here, he spoke before several thousand prominent people from all over the nation.

Malcolm has been recognized over at High School for his outstanding work. He is one of the few students who manages to get his name on the "Outstanding Student" list in almost all his subjects.

"Congratulations," Malcolm from all the students of WTHS.

Student of the Week

By ANNE BISCHOFF

Our first junior to be selected as a student of the week is none other than Tommy Lane, a junior this year at St. John's High School in Waynesville.

Tommy is taking Algebra, Chemistry, English, Typing, and French II at St. John's this year.

Last year he won third place in the Webster Spelling Contest that the students of St. John's participated in.

Tommy spent one year in Germany, with his family, while his father was in the occupation forces. He is quite interested in military matters as he went down to Fort Benning last summer to observe the training.

Year after next he says that he will probably go into the service.

This is the fourth year that Tommy has attended St. John's and lived in Waynesville.

He is a boy scout and has been for the past three and one-half years. He holds the rank of 1st class.

You can usually see Tommy skating out on Lake Junaluska, where he lives, when there's enough snow to freeze the lake. He lists ice skating as one of his favorite pastimes, along with hunting and camping.

Tommy has a versatile personality and is very likable. He is certainly an interesting person to talk to, and can tell you such interesting things about Germany and the things he observed while he was there.

Tommy will probably be a success at whatever he undertakes and we wish him luck in that undertaking!

WCTC Students To Attend Meet At High Point

C. L. LOWHEE — Conference time rolls around again. This time it's the North Carolina Methodist Student Movement, meeting in High Point February 9-11. About 300 delegates from all parts of the state are expected.

A group from the local Wesley Foundation will represent WCTC and Cullowhee Methodist Church. The Rev. R. T. Houts says he will lead them on the trip, assisted by Bill Reid.

First Methodist Church of High Point will be the location for meetings and High Point College will be the host. The theme for the conference is "New Testament — Blueprint for Today?" Dr. Lowell, Professor of Religion at Wesleyan College, Bloomington, Illinois, will be the main speaker.

Red Cross Group Meet Here Today

Members of the Board of Directors of the Haywood County chapter of the American Red Cross will meet at 4:30 this afternoon to elect a chairman for the approaching fund campaign, and to make preliminary plans for the drive. Presiding over the meeting will be the Rev. Malcolm R. Williamson, chapter chairman.

When you see the WTHS boys with their overcoat collars turned up and their hats pulled down over their eyes, don't be alarmed at their sinister appearance, they have just come from Joe Hippis where they are practicing "Murder Incorporated". That's the name of the play.

It seems the boys put their wit and ideas together, and PRESTO they had a comedy that ends in a tragedy. They plan to give the play in chapel some time soon and are busy with their rehearsals now.

Agronomy School Is Set For 13th At Court House

A panel of three experts will present the latest information on pastures, corn, and other field crops in an Agronomy School sponsored by the County Agent's office on Tuesday, February 13, at 7:30 o'clock in the Haywood County Courthouse.

Dr. E. R. Collins, head of the Agronomy department at State College, will discuss fertilizers as they pertain to field crops. Dr. W. L. Nelson, Director of the Soil Testing Division of the North Carolina Department of Agriculture, will describe the latest developments in soil testing, as well as its effect on crop production. Mr. Sam Dobson will discuss pastures and alfalfa.

Pointing out that Haywood County's farm income depends largely on such field crops, Wayne Corpening, County Agent, urged every farmer to make a special effort to attend.

To Serve In Korea

Maj. Sabiha Gokcen

THE ADOPTED daughter of the late Kemal Ataturk of Turkey, Maj. Sabiha Gokcen (above) 36, will soon join United Nations forces now fighting in Korea. A combat flier against the rebellious Kurds in 1935, and one-time chief instructor of the Turkish civil air force, Maj. Gokcen will fly combat with Turkish units in Korea. (International)

New in Style—New in Structure—New in Power—New in Thrift—Potent in Price Appeal—It's the 1951 BUICK SPECIAL!

HERE is good news for folks with a shrewd eye for what their dollars will buy.

Here is a tidy traveler that defies the upward trend of costs—proudly wears a 1951 price tag like that which zoomed last year's SPECIAL into popularity so great that it put a crimp in "the low-priced three."

Take our word for it, this is every inch and ounce a Buick—Buick-designed, Buick-built from the ground up—but literally the newest thing on wheels.

The sturdy and ample body is new. The high-strength frame is new. The power is new to the SPECIAL, which now has the thrifty F-263 engine that first made its name in the SUPER, and here delivers 120 horsepower with standard transmission—128 with Dynaflo Drive.*

It's a Buick with less weight and more power—and that spells a pair of new thrills for you. There's a performance thrill such as you've never enjoyed in the SPECIAL—plus a handsome gas-saving into the bargain.

We'll make a prediction now as to what title folks will give it, once they get it out on the road.

*Standard on ROADMASTER, optional at extra cost on other Series.

That title in three words, will be: "Thriftiest Buick Yet!"

Better hurry around to your Buick dealer's and look this marvel over. We'll give you another prediction—which is: Once this one's discovered, the demand will be terrific.

No other car provides all this!
