

Beaverdam PTA Has Founders Program

Mrs. Lloyd R. Jones Mountaineer Reporter
Founders Day was observed by the Parent Teachers Association at the Beaverdam school on Thursday night. James E. Henderson was the principal speaker.

Mr. Henderson reviewed the National Congress of Parent and Teachers work from the time of organization to the present. He stressed the importance of promoting mutual understanding between parent and teacher.

Mrs. Caimie Robinson gave the life history of the two founders of the National PTA.

During the business session, the past presidents were recognized, and the check on attendance showed that Mrs. Chapman's second grade had won the award.

Refreshments were served during the social hour.

The Methodist Youth Fellowship of the Plains Methodist was entertained at the home of Joe Dale McCracken, with a Valentine party on Wednesday night.

The Valentine motif was used in the decorations and the color scheme was carried out in the refreshments.

Games for the occasion were in charge of Mrs. Mary Alexander and Mrs. Goble McCracken.

Harold Edward Jones, was among those who recently passed examination for military service, and is now awaiting orders to report.

Miss Mary Catherine Wood, daughter of Mrs. Jess Wood, is in

4-H Club Week To Be Observed On March 3-11

National 4-H Club Week will be observed throughout the United States during the period March 3 to 11, according to L. R. Harrill, 4-H leader for the State College Extension.

The 1951 theme, "Working Together for World Understanding," will be stressed in all special activities to be held during the week. Accomplishments of the nation's club members last year set a new record, with 77.8 per cent completing projects in farming or home-making, says Harrill.

Club boys and girls produced 100,000 acres of garden, raised 9,000,000 chickens, and 1,000,000 head of livestock, grew 900,000 acres of food crops, and canned 16,000,000 quarts of fruits and vegetables. They made their homes more attractive and livable by improving 650,000 rooms, making 350,000 arts and crafts articles, beautifying the grounds of 120,000 homes, making 2,200,000 articles of clothing, and planning, preparing, and serving 20,000,000 meals.

Some 310,000 members kept personal achievement records, 510,000 participated in fire and accident prevention, 390,000 conducted soil and wildlife conservation practices, and 150,000 carried out forestry projects. Nearly three-quarters of a million 4-H'ers carried on special health activities, and 300,000 had periodic health examinations. Many served as junior project leaders, conducted recreational activities, and served their clubs and communities in other ways.

Mental Hygiene Workshop Set For March 5th To 7th

Better relations between parents and children is the theme of the Mental Hygiene Workshop to be held on March 5, 6 and 7 at the Waynesville High auditorium. The Haywood County Health Department and the county school system are sponsoring the project for the benefit of teachers and interested parents.

The Workshop will be conducted by Dr. Robert M. Fink, consultant in mental hygiene with the School-Health Coordinating Unit of the State Department of Public Instruction and the State Board of Health. Dr. Fink will lead discussions of problems pertaining to the guidance and rearing of children and adolescents. He will show films dramatizing incidents in such problems. Those taking part will have the opportunity of visiting high school Human Relations Classes and attending group meetings and health plays.

The County Library and the Health Department office will have reading matter available on all topics of mental health.

Two From Waynesville On Meredith Dean's List

Two Waynesville students have been named to the Dean's List of scholastic honors at Meredith College, Raleigh. They are Allen Hart and Sara Margaret James, who have been cited by Dean Leishman A. Peacock for "outstanding academic achievement during the past semester."

FLORIDA PALMS SUFFER FROSTBITE

IMAGINE THE EMBARRASSMENT of the Chamber of Commerce when this couple appeared at the Miami Beach, Fla., surfside wearing their heavy coats. Chill blasts were bending the palm trees and a heavy surf was breaking. However, the cold spell was short lived and it will soon be Florida bathing beauties again, as usual.
