

# Makeup Changes Face Through 50 Years Of Feminine Fashions

1900 . . . This wan little lady pinched her cheeks and bit her lips to get some added color. She used a wee bit of rice powder on her nose to achieve that glamor girl look in this Maude Adams era. say Coty researchers, presenting 50 years of fashions in faces from the turn of the century.

1910 . . . Women went all-out with makeup in this "vamp look" day, emulating Theda Bara's heavily painted eyebrows, slanted eye outlines, lipstick and a smudgy product for eyeshadow.

1920 . . . A small, bee-stung Mae Murray mouth was the vogue and eyes still were made up heavily in the early twenties, although they were penciled to look round. 'Tis said that many women suffered twisted necks trying to copy the characteristic pose of Miss Murray's head and shoulders.

1930 . . . The next major cosmetics fashion was set by Joan Crawford, who made great capital out of what was then a major beauty fault—a large mouth. Joan emphasized it with lipstick.

1951 . . . The "pale face" look emphasizes the trend to femininity, say makeup experts. The rule is light foundation and powder, dark lipstick. Hairdos shown are by Lura de Gez.

## Had Brick In His Stomach 10 Years!

A man said for 10 years he felt like he had a brick in his stomach, due to undigested food he always had inside of him. He was weak, worn-out, headachy and swollen with gas. Recently he got CERTA-VIN and says the feeling like a brick disappeared the second day. This new medicine is helping many Waynesville sufferers. It makes your food digest faster and better. Taken before meals, it works with your food. Gas pains go! Inches of bloated van- ish! Contains herbs and Vitamin B-1 with iron to enrich the blood and makes nerves stronger. Weak miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN — Smith's Drug Store.

# Rosie and Reddy Re-Arm

Remember Rosie the Riveter in the last war?

Well, all over our busy country, defense plants will soon be asking women by the thousands to come back to work on war jobs.

This time, it will be easier for these housewives to take a job AND run their homes, too! IN THE LAST TEN YEARS, AMERICA'S HOMES HAVE BECOME HIGHLY MECHANIZED WITH MILLIONS OF AUTOMATIC TIME AND LABOR-SAVING APPLIANCES LIKE STOVES AND REFRIGERATORS THAT TURN THEMSELVES ON AND OFF. Now, more than ever, homemakers leave household jobs to Reddy Kilowatt, their automatic electric servant, while they help Uncle Sam!

Reddy will be ready, too! THERE'S PLENTY OF ELECTRIC POWER TO TAKE CARE OF OUR DEFENSE NEEDS AND OUR HOMES, thanks to the businessmen who run our electric industry.
