The Kingdom Is United

After Saul's death, all the tribes of Israel came to David, reminded him that he had been their leader even in Saul's day, and he was anointed king over all Israel.

ILLUSTRATED SUNDAY SCHOOL LESSON

Scripture—II Samuel 5-8; I Chronicles 22:17-19.

By Alfred J. Buescher

So David became king over all Israel, and he executed justice and righteousness unto all his people, and David "was greater and greater, for Jehovah, God of hosts, was with him."

David overcame all his enemies, defeated the Philistines, and conquered Jerusalem, and he brought the ark of the covenant to the city, and danced before it while all rejoiced.

David gathered materials for building the temple, but he was growing old, and he called upon all the princes to help his son, Solomon, build it. MEMORY VERSE—Deuteronomy 6:18.

Over \$15,000,000 In Industrial Expansion Cited ALWAYS -- a jump ahead! THE Central Carolinas — the territory served by Carolina Power & Light Company — is growing industrially as never before. In the first three months of 1951, twenty-one new industries or expansions were announced for this area. More investment, more tax revenue, more jobs, more opportunities for all will result. Carolina Power & Light Company, with all its neighbors, is pleased at the development of this section. But it is not surprised. Our engineers years ago planned for it and began building generating plants to meet the demands both of the coming industries and the people who would get jobs with them. In 1949, the first of two 65,000 horsepower units started putting power on the lines at our new Lumberton Plant; in 1950 the second unit was placed in operation there. A third unit (100,000 horsepower) is due in 1952. Within a few weeks, the first 100,000 horsepower unit at our new Goldsboro Plant will go into production, and another unit of the same capacity will be ready there next year. This foresight is the reason why — THERE HAS NEVER BEEN A POWER SHORTAGE IN OUR AREA! For The Future! At right, workers are shown completing our Goldsboro Plant — the 13th on our system. This is part of a \$100,000,000 Carolina Power & Light Company expansion program, demonstrating our faith in the Carolinas. CAROLINA POWER & LIGHT COMPANY
