FOOD RISING Mr. J. E. Alexander, retired farmer who lives in Apt. 20C, Mr. View Homes, Greenville, S. C., writes: "For seven or eight years I suffered from bad spells of dyspepsia. Food seemed to sour on my stomach and would rise in my throat. Gas caused so much pain I couldn't sleep or rest. Scott's brought such grand relief I try to keep a bottle of it in my home at all times. I eat anything I want with no later suffering and I sleep well at night. Scott's is all it is recommended to be." Scott's Indian River Medicine is guaranteed to please you or your money back on the first bottle. Try it today.
