

Maggie MYF Hears Missionary

By EVELYN SILER
Mountaineer Reporter

On Thursday night, the Methodist Youth Fellowship of the Maggie Church was fortunate to have as their guest, the Rev. Harris B. Bragan of Community Baptist Church, St. Petersburg, Fla. Rev. Bragan was a special guest of Mark Girard, president of the M.Y.F. and formerly of St. Petersburg, who has made his home here with Mr. and Mrs. Vincent Henry for the past five years.

Rev. Bragan talked of missions in the West Indies where he served as missionary for five years. Some very interesting slides were shown which portrayed the work and characteristics of the inhabitants of the Cayman Islands.

A large crowd attended the Operetta which was presented Friday by the students of Maggie School. The operetta was under the direction of Miss Frankie Cecil, assisted by the teachers of the school.

Linda Henry, daughter of Mr. and Mrs. Fred Henry was crowned May Queen.

Mrs. Nikki O'Connor and Miss Kaney Cassidy have just returned from a trip on which they report they went in and out of the N. C.

U.N. TROOPS IN OFFENSIVE AND DEFENSIVE MOVES

TANKS FROM AN ARMORED BATTALION move steadily ahead in Korea (top) to challenge the huge enemy drive which has the capture of Seoul as its immediate objective. At bottom, U.N. vehicles carry troops southward to new positions being established by the Allied forces. (Defense Dept. Photos from International)

MORE ABOUT Wellco

(Continued from page 1)
durability that ensure the long wear and practical dollar-for-dollar value demanded by parents nowadays.

FUN-TIMERS racing car slippers—called "Hot Rods"—come in three gay, bright-color combinations: blue and white, yellow and red, red and white, and have wheels that turn. The fire engine slippers, complete with bell on the toes, a pair of ladders on the sides, and turning wheels, are named "Fire Chief". They come in traditional red and yellow.

Spirit of the "Old 97" is exemplified by the railroad locomotive slippers aptly named "Casey Jones" which are in black with red wheels and yellow trimmings, and have a puff of simulated white smoke billowing out of funnels on the toes.

Several of Wellco's exclusive features are incorporated in the new FUN-TIMERS slippers, which are of California slip-lasted construction and feature a patented springy counter that hugs the heel and ensures a perfect, lasting fit.

Adding to the two-fold value of the FUN-TIMERS slippers, as footwear and push-toys, is an innovation incorporated in the boxes in which they are packed.

The new Wellco FUN-TIMERS shoe boxes feature cut-outs from which boys and girls can make a complete three dimensional, full color racing scene from the racing car box; a complete fire house scene from the fire engine box; and an authentic railroad scene from the locomotive box.

According to Mr. Rollman, this is the first time in the history of the footwear business that a manufacturer has made the shoe box an item of specific value after it is acquired by the consumer.

the former Putnam property and will convert it into a play area. Dr. Allen added that work is proceeding on the renovation of the Terrace Hotel and the enclosing of the Auditorium.

Besides his report on Assembly activities, Dr. Allen spoke briefly on "What are you worth?" He pointed out that the ability to make friends and influence people toward the better things of life is one of the chief assets of man.

Library Notes

MARGARET JOHNSTON
COUNTY LIBRARIAN

Ever so often something nice happens to the Library. Our most recent is the announcement of the Richland Garden Club to provide floral arrangements to go along with garden books. They also plan to add some new books along the subject of gardening.

The first arrangement of May 1st was made by Mrs. Lenoir Gwyn, the new president of the Club. It attracted attention and a lady from Ohio remarked, "I must remember that, for I would like to use it myself."

What a wonderful opportunity this group has to present interesting and beautiful arrangements and some of our native flowers too. During the summer our most popular book is *Wild Flowers* by Homer House. It might be a good idea to have a wild flower on display occasionally. It might help the visitors identify some of the flowers or shrubs so familiar to us.

The Garden Center is a new committee of the Garden Club with the following members: Mrs. John Smathers, Ch., Mrs. R. L. Prevost, Mrs. James Elwood and Mrs. W. A. Hyatt.

A copy of *New Garden Encyclopedia* by E. L. D. Seymour has been presented to this shelf in memory of W. T. Shelton by Mrs. Floyd Rippetoe.

Why don't you get a copy of the list of books on gardening in our Library? It might help you in planning your "food" or "flowers" for this summer and it might also help you to prove that you really have a "green thumb".

Schedule Bookmobile

Monday, May 7th
BEAVERDAM

Patton School 9:30-10:30
