The Southern Kingdom

When Hezekiah came to Judah's throne,
he did that which was right in the eyes
of the Lord. He tore down the idols,
and broke the serpent Moses had made,
because the people had burned incense to
it and worshiped it.

ILLUSTRATED SUNDAY SCHOOL LESSON

Scripture—II Kings 18-20; II Chronicles 29-30 Isaiah 37

Then Hezekiah had the temple cleansed
and called upon priests and Levites to
sanctify themselves; he sent messengers
to Israel, and invited all who would
come to Jerusalem to celebrate the Pas-
sover. Thousands came.

Assyrian king, Sennacherib, sent an
army to besiege Jerusalem. Rabshakeh,
his leader, sent word to Hezekiah that
Jehovah would not help them, but the
king prayed earnestly, a plague fell on
the enemy, and Jerusalem was saved.

King Hezekiah fell seriously ill even
Isaiah, the prophet, prophesied that he
would die. Hezekiah prayed to Jehovah,
reminding Him of his faithfulness, and
the king's health was restored.
MEMORY VERSE—Psalm 46:10.

Bible Lines

"Blessed Art Thou
Among Women"

THE Angel Gabriel was sent from
God to a city of Galilee, named
Nazareth, to a virgin espoused to
Joseph; and the virgin's name was
Mary.
The angel said, "Hail, thou that art
highly favored, the Lord is with thee;
blessed art thou among women."
When she saw him, she was troubled.
The angel said, "Fear not, Mary, for
thou hast found favor with God. And
behold, thou shalt conceive in thy
womb, and bring forth a Son, and
shalt call His name Jesus. He shall
be great, and shall be called the Son
of the Highest, and of His Kingdom
there shall be no end."
Then Mary said, "How shall this
be, seeing I know not a man?" And
the angel answered, "The Holy Ghost
shall come upon thee, and the power
of the Highest shall overshadow thee;
therefore also that holy thing which
shall be born of thee shall be called
the Son of God."
(Taken from St. Luke 1, 26-35)

Here's Where the Pounds Pay Off

FIRST thing that people notice when
they take over a Buick is the sure-
footed stance this fine automobile has on
the road.
You head into a curve and hold firm and
true. You travel a turnpike without sway
or wander.
While your wheels may dance when you
hit a stretch of washboard gravel—your
car holds its level course.
A lot of things account for this beauti-
fully poised performance, but it starts
with stalwart structure and ample
weight—plenty of pounds where pounds
are needed.
Please don't get us wrong. This isn't
"deadweight." Though a Buick like the
one pictured here tips the scales at more

than two tons, it's as nimble as an ante-
lope at play.
It has a generous hoodful of valve-in-
head Fireball power—packing a power-
ful punch of velvet velocity.
It comes with the smooth magic of
Dynaflow Drive*—a lightness of steering
that's gently responsive to a lady's hand
—a front-end geometry that's pure genius
—the finest brakes ever put on a Buick.
And every wheel rides on shock-eating
coil springs that are carefree and
trouble-free for the life of your car.
You'll also find—by a few moments of
simple arithmetic—that the pounds in

this bounteous beauty pay off in another
way. On a cents-per-pound basis, it
cost less to buy than anything else
its weight and power and size.
Why not visit us real soon—like the
thing tomorrow—and let us show
why you and your budget will both
be happy with this Buick?
*Equipment, accessories, tires and models are subject to change without notice.
When better automobiles are built BUICK will build them.
