

# Legion Baseball Team Have Three Games This Week

## Haywood Legion Blanks Rutherford By 8-0 Score

Haywood County's Junior Legion baseballers notched their second victory of the season Wednesday afternoon, shutting out Rutherford County by 8-0 behind the six-hit pitching of Charles Carpenter.

The young right hander was in trouble only once as he received good support from his mates, and kept opposition blows well scattered.

Paced by the slugging of Joel Burrell, David Kirkpatrick, Ray Jenkins and Carroll Swanger, the Haywood lads bunched most of their hits in the second and eighth innings, scoring clusters of four runs in each frame.

Stott and Daves collected two hits each to lead the losers on offense.

## Hickory Sat. Today, Wed., To Meet Valdese

Showing vast improvement in their past few games, the Haywood County Junior Legion nine will be gunning for its third victory of the season Monday night in a game with the Valdese Juniors.

The clash is slated for 8:00 o'clock under the lights at the new baseball park on the Canton High athletic field.

This will be the second night baseball game in Haywood County's athletic annals. The inaugural last Thursday night drew a good attendance of fans who were very favorably impressed with the new lighted diamond that has just been completed by The Champion Paper and Fibre Company on the Canton High grounds.

The Haywood team has run in hard luck this year. Five of their losses have been by the bare margin of one run, and three of these have been extra inning affairs. With a few breaks they could have been among the leaders of League II of Area IV of North Carolina.

As it is, with a current record of two wins and nine losses they are virtually out of the running. With nine games left to play this season, Coach Jack Justice has started building for next year.

He is gradually inserting the younger boys on the squad into the lineup, giving them a taste of the lead they will have to carry next season. So far the rookies used have shown up very satisfactorily, and the team's many fans are already calculating the prospects for a winner in the 1952 season.

Haywood will go to Valdese Wednesday night for a July 4th feature, and will be back at home Saturday for a game with the league-leading Hickory Juniors on the Waynesville diamond.

## DEATHS

### FRED L. BROWN

Fred L. Brown, 27, died Sunday noon in the home of his parents, Mr. and Mrs. J. S. Brown, of the Chambers Mountain Road, near Clyde. He had been ill a short time.

Funeral services will be held Tuesday at 2 p. m. in Clyde Methodist Church with the Rev. W. T. Medlin officiating. Burial will follow in Bon-A-Venture Cemetery. Cousins will serve as pallbearers. The body was taken to the home this morning.

Brown was employed by Southern Bell following his discharge in December 1949. He spent one year with the army of occupation in the Far East.

Surviving in addition to the parents are three brothers, Milburn of Clyde, George of Canton, and Ned Brown of the Bethel section.

Wells Funeral Home is in charge.

### Hanging Gardens

The Hanging Gardens of Babylon, one of the Seven Wonders of the ancient world, were built by King Nebuchadnezzar for Amytis, his fair young Median Queen. The gardens were "mountain-high, terrace piled on terrace, with fash of fountains, shade of trees, and fragrance of pomegranates."

### Polio Player

For eight years, a Chicago boy with a polio-crippled body was told his case was hopeless. The boy begged his parents for an organ. He not only developed his limbs, but Joe Scott, now 13, is making professional appearances, playing the organ.

### Farm Woods

Your own farm woods is the best, and cheapest, source of building material for farm construction.

## Valdese Takes Haywood Legion For 11-10 Score

Rallying in the late innings to overcome a 6-run deficit, the Valdese Juniors pushed across a run in the top of the tenth inning to edge the Haywood Juniors 11-10 Thursday night in the first night baseball game ever played in Haywood County.

The extra-inning thriller was played on the new floodlighted baseball field recently constructed by The Champion Paper and Fibre Company on the Canton High athletic field. The inaugural of night baseball drew a large crowd of fans.

Haywood jumped away to a commanding lead early in the game when Bobby Kuykendall's double produced two runs in a three-run uprising in the second inning, and they combined four hits with four free passes to score five more in the third.

They shelled Jim Butler from the Valdese mound in that big third inning but Dave Butler came on as relief and handcuffed Haywood for the rest of the game, except for Terry Swanger's towering two-run homer in the sixth.

Rhoney's triple with the bases loaded featured a four-run spurge for Valdese in the second, but they really got back into the running in the seventh when they batted all the way around to score five runs and dispose of starter Jerry Alexander.

Charlie Carpenter pitched the last three innings for Haywood and was charged with the loss as Valdese knotted the count at 10-10 in the eighth, and then won with a run in the tenth that came from a walk, an error and Bumgarner's single.

## Fireworks Slated For Lake On Night Of July Fourth

In addition to the camp meeting that will be under way, the Fourth of July holiday program at the Lake Junaluska Methodist Assembly will feature "dinner on the ground," swimming and boat races, and a lakeside display of colorful fireworks.

Water sports events will be held in the afternoon from 2 to 4 o'clock, according to Dick Crowder, recreation director. Competition will include 100 yards free style swimming, diving, backstroke, row boat races and canoe tilting.

Entrants will be divided into two groups, under and over 14 years old, Crowder said. He requested that entrants mail him a post card giving name, age and address.

Picnic tables will be available for families who wish to spend the day at the lake. Dr. H. G. Allen, assembly superintendent, said gate fees will be waived for Fourth of July visitors.

The fireworks exhibition will be staged at 10 p. m. The "firing line" will be at the top of Mission Hill, near the cross, so that the spectacular bursts of rockets, pinwheels and picture designs will be visible for miles.

**Was George Stings?**  
George Washington, visiting Barbados in 1751 on his only trip abroad, commented that the island's rum was of excellent quality but "extravagantly dear"—at two shillings a gallon! Under Washington, as first President, two shillings were equivalent to the exorbitant sum of 45 cents in United States coin.

## Closing Time For Town Candidates Nears; Many New Voters Registered

Candidate wanting to seek office in the Waynesville election on July 17th have until five o'clock this afternoon in which to file at the town hall.

The Waynesville Town Hall will be open for registration of prospective voters Thursday and Friday, as well as Saturday, of this week, to take care of the number of people who want to register.

Town Manager Grayden Ferguson reported that 217 more people came in Saturday, to bring the total for the ward to 322. Allen Creek more than doubled its first day's registration Saturday, for a total of 74.

Voters may register between 9 a. m. and 7 p. m. All newcomers and all residents of the area included in the extension of the city limits should register. Persons who are registered for county elections only are reminded that a separate registration is required for a vote in the town elections July 17.
