Our Daily Bread

The years have brought poverty and privation to this aged gentlewoman, but they have not destroyed her spirit nor dimmed her faith in God.

She earns a scanty subsistence for herself and her dependent grandchild with her own hands, but she holds no bitterness in her heart and is as grateful to God for her frugal loaf as if it were a feast of the finest foods.

It takes faith and strong character to weather the storms of adversity without damage to the soul.

There are people who enjoy abundance without the remotest thought of God's providence. When misfortune comes and their house of sand crashes, they go down with it. They lack the sustaining power of an humble heart and active faith.

Religion teaches men to enjoy prosperity with humility, and to rise above misfortune through honest effort and faith in God.

This fine old mother, who thanks God for her loaf and pitcher, has not lived and wrought and trusted in vain. Her life and her faith are the glory of humanity and the hope of the world.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
