Beaverdam CDP Thanks Those Taking Part In Tour Saturday

The C. D. P. of Beaverdam wish to express their appreciation to Center Pigeon folks for their splendid cooperation in making Saturday a very enjoyable day for all who were present for our tour and field day. Especially do we want to thank the good folks of our own community for their bountiful dinner. We're hoping there will be a large crowd going to Ratcliffe Cove September 15, when we will be the guests of the C. D. P. of that community.

The revival at the Beaverdam Baptist Church closed Sunday night with over a hundred conversions. Rev. Mr. Coleman Brown and Pete Hicks, who conducted the revival, and Rev. Mr. Wise, pastor of Logg's Branch Church, baptized between forty and fifty people Sunday evening in Beaverdam Creek. Mr. Brown has been elected the pastor of the Beaverdam Baptist Church and he and a large crowd of fellow workers are erecting their new church. The ladies are asked to bring dinner to the church the same days this week that they did last week.

Decorations and Homecoming Day will be observed at the Beaverdam Methodist Church Sunday. Everybody is welcome to come and bring lunch and enjoy the day together.

Everyone who can, is asked to meet Friday afternoon at 2 o'clock to finish mowing and cleaning, and to prepare tables. The memorial windows for the new church were installed Wednesday.

Mr. and Mrs. Ray Plemmons and son Tommy, visited Mrs. Plemmons' parents, Mr. and Mrs. C. V. Sorrells, during the week end.

Mr. and Mrs. Elbert Worley and son from Morristown, Tenn., visited relatives during the week.

Dive Bomber Is Bird

AP Newsfeatures
BELLIGERENT — A mockingbird in St. Petersburg, Fla., has turned himself into a dive bomber. He chases dogs, cats and even sea gulls. But this cat, owned by C. Winn Upchurch, defeats him. The cat laps his food nonchalantly and ignores the diving bird.

Messrs. Anderson Huskey and Albert Messer were honored Saturday evening with a surprise birthday supper at the home of the former. The report is that it took some "powerful maneuvering" to get Mr. Messer to party without arousing his suspicions, but his friends succeeded in doing so. The community wishes them another fifty years of "life, liberty and the pursuit of happiness."

Mrs. Oscar Coffin of Chapel Hill, Mrs. Inez Dixon of Raleigh, and Mrs. Hugh Terrell of Bethel were the luncheon guests Monday of Mrs. Thomas Erwin and Mrs. J. E. Burnette at the home of the latter. Mrs. Paul Hyatt was unable to attend.

The ladies took a drive to Lake Logan, where Mrs. Coffin was particularly pleased with the Gardner camp site. They also walked to the old water grinding corn mill on the place, a picture of which is used in the North Carolina history books. The mill is not in use at the present time because floods washed out the mill race and wheel.

A good sign to "go" by!

THIS shining emblem "GMC" is the sparkling sign of the fastest growing line of trucks in the land—with sales growth unmatched this year by any other manufacturer. The reasons for this are sound ones.

For in the chassis of a GMC you find "long-time, stay-with" stamina—truck-building that dares comparison with anything on the roads today.

Under the GMC hood you find real power—the kind of truck-built power it takes to keep goods moving year after year. Whether it's a nimble 1/2-tonner with horsepower unsurpassed in its class, or the fabulous two-

cycle Diesel which is outselling, outperforming every other make—a GMC puts more "go" to the load!

And in the cabs—drivers who work in comfort and safety. They have the look of men who know their truck will get the job done quicker and better.

You'll feel the same way when you try a GMC yourself. Come in—compare the facts, the features, the way they haul. Listen to the savings talk.
