'Win A Vacation' Contest Winners

Wingate Hannah, Miss Bette Hannah, and their mother, Mrs. William Hannah, of the Towne and Country Shop are trying to decide where to go for an all expense paid two-weeks vacation, which they won in a nation-wide contest held by makers of White Stag Sun Togs. The decision is a hard one since they have their choice of vacation lands such as Cuba, Bermuda, Hawaii, and South America, as well as vacation spots in this country. Only four winners were selected from thousands of retail sales people throughout the nation. (Staff Photo).

Thurman C. Davis Elected Chairman Of FHA Comm.

At a meeting Tuesday of the Farmers Home Administration Committee, Thurman C. Davis was elected chairman.

Three farmers, who direct this agency of the USDA's work in the County, are elected for three year staggered terms so that one is elected annually. Mr. Davis fills the expired term of Jarvis R. Caldwell of Iron Duff. Charles R. Linder and Tom H. Rogers are the other members of the FHA Committee.

The FHA extends supervised credit to farmers for the purchase and improvement of land, for readjustments in the farming set-up and for the improvement of existing farm buildings or erection of new ones.

Outside of farm housing loans, it is stressed that only farmers engaged in farming the major portion of their time are eligible for these loans. The office is located on the third floor, front, of the Court House and is open each Monday, Tuesday, Friday, and on Saturday mornings.

Burley Quota Expected To Be Same As 1951

Signs are favorable that the 1952 burley allotment will be the same as this year's quota, according to Carter Osborne. There is a possibility that a base allotment of one acre might be cut to nine-tenths; but if the crop is short, the extra tenth will be returned.

Mr. Osborne returned last week from a Farm Bureau-sponsored trip to Washington, where he represented Haywood County at a hearing before the Tobacco Stabilization Board. He discussed the matter with Senator Clyde Hoey and with Representatives Robert Doughton and Monroe Redden, as well as with congressmen from Tennessee and Kentucky.

A final decision on the allotment is not expected before November.

Important Cottons

White and navy ensemble.

By VERA WINSTON

GROWING in importance is the cotton dress or ensemble such as is shown today. The strapless underdress is of white embroidered eyelet, and the redingote is of navy blue waffle pique. The coat has a scooped-out neckline to reveal the bodice of the underdress with its fluted edge, and the skirt, gathered at the waist, shows the underdress in true redingote fashion.
