## 8 Hurt On Haywood Highways In 3 Days

### One Wreck Sends 7 To Haywood Hospital; Drunk Driver Rams Illinois Car

A head-on automobile collision near Cedar Top, on Highway 19-23 Sunday morning sent seven persons to the Haywood County Hospital, one with serious injuries.

Seriously injured was R. C. Brate, 17, of near Royster, Georgia, who received a fractured skull, fractured jaws and other injuries, hospital spokesmen said. He was reported in a fair condition this morning.

State Highway Patrolman Joe Murrill said a car driven by Ralph Cheek, 27, of near Royster, was traveling east on the left hand side of U. S. Highway 19-23 between Lake Junaluska and Clyde. His report showed that at 10:20 a.m. Cheek rammed head-on into a car driven by Joseph A. Keller, 60, of Illinois. With Keller was his wife. Brate was a passenger in Cheek's car and other passengers were Harold Day, 45, Mrs. Roxie Crider, 38, and Miss Margaret Crider, 17, all near Royster.

Cheek was charged with driving drunk, and without an operator's license, personal injury and damage to property, Murrill said. The hospital reported all the injured to be in a fair condition. Officers have a special guard at the Hospital at the bedside of Brate and Cheek.

### Truck Driver In Serious Condition Following Wreck

Harry Cable, 40, of Hazelwood, is in a serious condition in an Asheville hospital, following injuries sustained when he leaped from his loaded brakeless truck.

Cable was driving a truck loaded with wood, and as he approached the curve near Lake Junaluska Thursday afternoon, he found that the brakes on the truck failed, and he could not slow down the loaded truck.

He jumped from the cab, and as he hit the pavement, he suffered a fractured knee, and concussion of the skull.

The truck hit a tree and was practically demolished. Cpl. Smith and Patrolman Murrill investigated the accident, and termed it an unavoidable accident, caused by failure of the truck brakes.

### Officers Find Past Week-End One Of Worse In Long Time In Haywood

Eight persons were injured on Haywood highways from Thursday until Sunday night, as officers termed it the worst week-end in more than a year.

Eleven persons were arrested for driving drunk, for the greatest toll in a long time. The highway patrol arrested 27 persons; the police department 17, and the sheriff's department six.

Fifteen of the 17 on the police docket were charged with being drunk, one for an improper muffler, and one for driving drunk, according to Chief of Police Orville Noland.

The sheriff's department got four for being drunk, and one drunk driver. The highway patrolmen arrested 9 on charges of driving drunk, two speeders, and 16 on miscellaneous charges.

Cpl. Pritchard Smith said, "this week-end was the worst we ever had. I have no answer for the cause. With 9 arrested for driving drunk, it surpasses all other week-end records."

Cpl. Smith arrested 3 drunk drivers on the Soco Road, and one between Lake Junaluska and Clyde; Patrolman Joe Murrill arrested one near Clyde, and Patrolman H. Dayton arrested four between Canton and Waynesville.

One of those arrested by Cpl. Smith was driving a truck. The driver had a half gallon of liquor, and a half gallon of tomatoes. "He had pushed just about everyone of the highway," the patrolman said.

One drunk driver Sunday night about 11 o'clock between Waynesville and the Lake hit two vehicles, causing property damage, but no personal injuries.
