CLOSE-UP OF FAITH

You have to come very close to Faith in order to discover just what it is!

You see, Faith isn't a set of theological books, as some folks may think.

And it isn't just "the religious point-of-view," as others sometimes infer.

And certainly it doesn't take years to gain, as popular fiction occasionally suggests.

No! Faith is the simple trust of a child in God . . . the certainty that He cares . . . that He loves . . . that He helps.

Faith, after all, is believing! And for a little girl, or a full-grown man, the place to learn to believe is the Church.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regu- larly and read your Bible daily.
