

Driver's License Is Unlike Hunting License; It Does Not Title You To Kill Anybody

By FITZHUGH SHAPTER

"It's a Presbyterian cross-section," said the man taking the test. "The law says you got to let him cross."

"No," argued the examiner with a straight face, "and all pedestrians must come to a finish crossing the road."

"Hooper, drivers' license in the section, is giving applicants' tongues (And he gave the man the answer.) Mr. Hooper in Waynesville for a half, has been here for over four years. In that he has issued almost 1,000 more applica-

New Sign Makes It Easier To Find Hazelwood

A new sign has been erected on Highway 19A-23 to make sure the passing motorist can locate Hazelwood. Complete with arrow, the sign stands at the first stoplight beyond Waynesville and in large letters says: "Main Street—Hazelwood, N. C."

The decision to erect the sign was made by the Board of Hazelwood in the belief that the regular highway sign was insufficient to make known the presence of the town.

Primitive Tribe Meets White Men

DARWIN.—(AP)—A completely walled-in village inhabited by primitive tribesmen, who had never seen a white man before, has been discovered by a Dutch patrol deep in the Dutch New Guinea jungle.

The story of the discovery was told by the Chief Justice of Dutch New Guinea, Dr. Bernard Damen, who visited Darwin recently. Dr. Damen said the village had been built into a fortress against hostile tribesmen, and the patrolmen had to crawl singly through a small hole in the wall.

The astonished tribesmen advanced on them in a threatening manner with spears and bows and arrows. Patrol-leader Den Haam calmed the villagers by singing them some native peace songs, and then gradually won their confidence by giving them presents.

breathless moments himself in giving the tests. In one week—"don't know why that was such a bad one"—he was the passenger in three accidents. "And we hit the same telephone pole twice! . . . I don't even go near that street any more." Backing up is the difficulty for most people. "They get started all right but then they stop watching where they're going . . . I can't imagine why they're so interested in where they've just been."

Your road test over, you pull in behind the Court House and thankfully cut the switch and put on the brake. "Always leave your car in gear," reminds Mr. Hooper, "particularly around here, where you're more apt than not to be parked on a hill." Along with a few friendly bits of advice, Mr. Hooper reassures you that your driving is good enough to entitle you to a license—or he recommends that you practice further on handling the clutch or whatever difficulty has kept you from passing. "Be glad you are not the man in another county that I tested several years ago," he grins. "After we'd driven around town a while, I knew he'd made too many errors to pass. So when we got to the road that turned off to his place, I told him, 'I'm sorry, but you can't qualify for a license until you have had more practice. You can stop here and let me out and I'll walk back.' The man gulped, 'You just show me how to stop and I'll get out and walk with you!'"

The "Morro Castle" burned off the New Jersey coast Sept. 8, 1934 with a loss of 134 lives.

Mr. Hooper has had a few

Angus Cattle Bring Rewards

L. C. Moody of Cecil is a firm believer in the value of the Aberdeen-Angus breed. He showed several animals at the Pigeon Valley Fair and will be an exhibitor in the show Friday and Saturday.

Winners Hope To Repeat

Four entrants in a previous Junior Dairy Show will exhibit the same animals this year. They are (left to right): Jimmy Williamson, Harley Caldwell, David Noland and (far right) Johnny Mack Ferguson.

Homecoming Day Plans At WCTC Told

CULLOWHEE (Special)—Tentative plans for WCTC's 1951 Homecoming Day have been announced by Miss Helen. The schedule of events will be similar to those of last year, which was one of the most elaborate ever held at this institution.

During Saturday morning a parade through Sylva will serve as the opening feature. The afternoon will be devoted to open house in the dormitories.

The WCTC marching band, directed by Dr. David E. Price, will lead the line of paraders. The President's car and that of the Homecoming Queen will lead the group of vehicles.

The Queen and her court are elected by members of the football team.

All of the campus clubs will sponsor cars for the officers. The cars will be decorated with signs and crepe paper streamers. Several of the major clubs will

Legal Safecracker Solves Eight-Year Dilemma

MURPHYSBORO, Ill.—(AP)—A safe expert opened a Masonic safe which members had been unable to open since their late secretary died in 1945 with the memorized combination.

Lodge members had been all out ready to break into the safe to see their records.

But the job was done in 10 minutes by Tobey Monday who only twisted the dial and listened to the safe's inner workings. He did the trick in front of awed Masons, who had requested the traveling safe expert to have a look at their safe.

prepare elaborate floats and special exhibits. The freshmen girls will again demonstrate the skills of marching while carrying card signs. After afternoon visitation periods to the three dormitories, a tea for alumni will be held in Moore parlors.

At the Homecoming game that night between WCTC and East Carolina, the half-time ceremonies will be high-lighted by the crowning of the Homecoming queen.

The trophy for the best-decorated dorm will be presented, and the band will present a program of
