

Long Pass Missed By Few Inches

Stamey, Canton end, went high in the air, and made a desperate try at this long pass from Carpenter, but failed to hold it. Gibson, 22, Mountaineer back, was in on the play.

same combination put the ball over and the Bears ahead for the first and only time. The try was no good and the score stood 12 to 7.

A moment later those Mountaineer fans who the previous week had followed their team to Anderson, S. C., rubbed their eyes and

wondered if they were dreaming. For J. C. Deweese took the kickoff on his 12-yard line, and behind perfect blocking went all the way untouched to score just as he had done in Anderson. Again Gilliland kicked a perfect extra, and the score was 12 to 14 with Waynesville leading.

Canton was unable to recover quickly from the shock and soon

kicked. With Carroll Swanger and Ross leading the attack, the Mountaineers put together their only sustained drive of the evening. It was climaxed when Carroll Swanger, on the second play of the fourth quarter, got perfect blocking and went around his left untouched for 13 yards to score. And for the third time Gilliland's kick split the uprights.

It was a perfect beginning for the fourth quarter that was to see three more touchdowns scored before the whistle blew. Deweese was finally taken out for a rest and replaced by Edwin Grasty, who, on his first play intercepted a Carpenter pass on Canton's 35 and went around right to score. Stamey managed to block Gilliland's fourth try, so the score stood Waynesville 27, Canton 12.

Aroused at a last, and not letting a recovered fumble stop them, the Black Bears held, took the ball on their own 8 and took off. A combination of passing and helpful penalties featured a drive that include a 42 yard pass and run from Carpenter to Stamey that almost brought a score and did set up one. After another pass, Carpenter crossed up the Mountaineers by running the ball over. It was 27 to 18 as the extra failed.

But the game wasn't over though time was running out. The Mountaineers picked up a first down and then kicked. From the 17 Carpenter uncorked a pass that covered some 20 yards in the air but continued along the ground to the Waynesville 12. There after two plays Ledford ran the ball over and this time the extra was passed by Carpenter to Hardin.

Canton made a brave effort to get the ball by an off-side kick, but it didn't work, and the Mountaineers froze the few remaining seconds

GROWING UP IN THE SOUTH

TELEPHONE SERVICE IS GROWING, TOO

...and the price is up far less than most things you buy!

SINCE this little fellow was born—in just five years—the number of local telephones North Carolinians can call has more than doubled. And Southern Bell expects to spend nearly \$13,000,000 this year to expand and improve telephone service for this fast-growing state.

BEST OF ALL, look at the modest price you pay for this bigger, better "package" of service! During ten years of rising prices it has gone up, in the overall, less than half as much as prices in general... and less than our cost of providing the service.

ALWAYS one of your biggest bargains, telephone service is today an even better buy than it was ten years ago, and a smaller part of your family budget.—Southern Bell Telephone and Telegraph Company.
