## Clyde-Bethel Game Set For Tonight In Canton

### Kickoff Set For 7:30 At Canton

At the request of many fans from both schools, the Clyde-Bethel game scheduled for Friday afternoon at Bethel has been changed to Thursday, tonight, at 7:30 and will be held at Canton's Memorial Stadium.

Bethel Coach C. C. Poindexter explained that many people are unable to get away from work in the afternoon to see the game, and they are very eager to witness the third renewal of the series.

Another aspect of the situation is that seating facilities at Bethel are insufficient to take care of the large crowd expected. Bethel Principal, E. J. Evans said also that while wire has been obtained for a fence, there has not been enough time to erect it around the field.

Neither Poindexter nor the Cardinal's Coach Constance seemed to mind the advancing of the game. "We'll have one day less to practice," said Constance, "but I guess we'll be ready."

"The game is a toss-up from where I stand," said Poindexter, "and changing the date doesn't change that."

The Cardinals emerged in fair shape from their rough defeat by Sylva last Friday. Gerald Medford, star center who suffers from a recurrent knee injury, was reported to be ready to go tonight despite the dramatic fashion in which he was carried off the field in an ambulance last week.

"We played our best game of the season at Franklin," said Poindexter, "but we just got beat. All our boys are in good shape, however, and are looking forward to keeping Clyde out of the winning column of the series." (Clyde, which began football only last year, dropped both of the Bethel games by close scores.)

Tentative lineups have been announced. For Clyde: Ends, Milner and Thompson; Tackles, Francis and McCracken; Guards, Shuler and J. McCracken; Center, Medford; Backs, Stevenson, Buchanan, Jolley, and Snyder. For Bethel: Ends, Owens and Deitz; Tackles, Singleton, Medford; Guards, McMease and D. Mease; Center, Campbell; Backs, Jones, Queen, Shepard, and Phillips.

### Coach Poindexter Looks Confident

Ready for anything the Cardinals of Clyde may try is Bethel's coach, C. C. Poindexter. The students behind him also are happy as the day of the big game between Bethel and Clyde draws near. Kick-off is Friday at 3 p.m. on Bethel's field. (Staff Photo).

### Wellco Teams Keep Lady Bowling Lead

The two teams from Wellco Shoe lead the Womens Division of the Waynesville Bowling League this week, and, in addition, Wellco No. 1 is in first place, and Wellco No. 2 is tied with Howell Motor for second.

Stiles Office Supplies occupies third spot, with Dayton Rubber in fourth and the Farm Bureau in fifth.

Howell Motors takes high team series honors this week with a score of 2212, and Wellco No. 1 is second with 2180. Mohela Medford rolled the high game, Tuesday, scoring a 182, and Myrtle Tappan was second with 178. Both represent Howell Motor Co. The same combination, with places reversed, took individual high series honors with 458 and 423 respectively.

Schedule for Tuesday opposes Wellco No. 1 to Dayton Rubber; Wellco No. 2 to the Farm Bureau, and Howell Motors to Stiles Office Supplies.

### Knee Pants Football Is Underway

There will be another football game in Waynesville this weekend. Sunday at 2 p.m. Hazelwood will play Dellwood in the High School stadium, and after the kick-off anything can happen.

It seems that a group of kids approached several men they knew and suggested that if there could be a knee pants baseball league, then why couldn't football be one? The answer was, there could, and the first game of the season Sunday proves it.

In addition to the two teams playing Sunday, there is another from Lake Junaluska. It is expected that Saunook will enter a team, and other communities have displayed interest. The age limit for players is 10 to 14, and the weight is 120 pounds. Parent's consent is also required before a boy can play. Games are under standard rules with the exception of ten minute quarters.

The biggest need at the moment is equipment. Lack of uniforms with their protective features is a big handicap for, without them, it is impossible to have the players insured.

Rock Powers, who is in charge of the Hazelwood team, said today, "We've been hoping that some public-spirited citizen or business men would come forward with some help. The kids want to play and they need equipment."

### SPORTS in BRIEF

By HANK MESSICK

COME what else may the Mountaineers be getting plenty of experience with one type of animal. First the Lenoir Bearcats, then the Black Bears of Canton, and now, tomorrow, some more Bearcats from Hendersonville. So far the furry animals haven't done so well.

SAY what you please but the Library keeps up to date with the trend of the times. One of their latest books is titled: "World Series And Highlights of Baseball," by Lamont Buchanan. It's worth reading.

YANKEE fan or not, almost everyone felt a warm glow at the news of Joe DiMaggio hitting a homer. Somehow Joe has become part of baseball's tradition, and it was rather sad to see him batting slump after his past record. When Joe goes, an era will go with him.

THAT long promised investigation into professional boxing is at last underway. A Federal Grand Jury is trying to decide whether or not the anti-trust laws have been violated. There doesn't seem much doubt about it when you consider the recent actions of the International Boxing Club.

LOTS of tears mingled with the perspiration over at Knoxville last week as the Vols maintained their national ranking by calming down the Duke Blue Devils. Despite their easy victory, however, they are still where they were—in third place, with the Golden Bears of California still on top. Georgia Tech made a big leap on the basis of its win over Kentucky—from 13th to 8th. The Wrecks are rambling.

BEAUFORD Gilliland got a lot of well deserved credit for his extra point kicking in the Canton game, but we are sure he would be the first to point out that a kicker is no better than his center. And Manuel Hooper was the boy tossing them back. To get a good kick away the ball must be snapped at just the right time and arrive in just the right place. Hooper is doing that and playing a wonderful all-around game to boot.

ONE of the essentials of a good writer is to believe in what he writes, and practice it whenever possible. Just as we wrote the item above, a kind hearted member of the staff sat a cup of coffee upon our desk. After one grateful sip we moved it aside and finished the line about the ball arriving in just the right place. Then with a shove we moved the carriage of the typewriter. It hit the cup of coffee and the black liquid spread. All of which should prove something but we're afraid to ask what.

WAYNESVILLE'S former All-American, Bill Milner, is now a Captain in the Marine Corps, and coaching the Camp Lejeune team. Bill played at Duke in his college days, and then went on to professional ball for awhile. But he was in the Reserves and they wanted him.

AFTER this week's game with Hendersonville, the Mountaineers will play only two home games. The first of those is almost a month away on Nov. 9th when Franklin climbs the mountain, and of course the second one is the Conference game with Canton. If you don't like to travel and do like football you'd better come out tomorrow night.

ANY of you old enough to recall the "Hidden Ball" trick and the Flying Wedge? For some reason, popular pressure mostly, those plays became considered unethical. And dating back to the same days is the "Sleeper". The chief difference now is that the rules expressly forbid a player lying down to conceal himself or a team crowding the sideline to conceal him.

### Jayvees Win By 12 To 0

Hendersonville High School is coming to Waynesville tomorrow night, but last night the Waynesville Jayvees went to Hendersonville where they licked the local Jayvees 12 to 0.

Billy Farmer starred for Waynesville by scoring both touchdowns on end sweeps. Thomas Nichols was the biggest ground gainer of the game, and Jimmy Frady won distinction by blocking two Hendersonville punts.

Speaking of punts, the game was unique in that Waynesville did not punt during the entire evening. They held the ball most of the time, and gave it up on downs when they could hold it no longer.

The local Jayvees will play Canton Jayvees next Wednesday night at Canton.
