

# WNC Teams Eye Paper Bowl Game

## Beaten Newberry Team Averaged 31 Points

Officials of the Men's Club have re-elected Newberry, S. C. as the guest team in the Paper Bowl on Wednesday.

The team is undefeated. They have averaged 31 points and have allowed only one touchdown. As of now the most against them in any game.

## A Panther's Growl Won't Scare These Cardinals

The cheerleaders of Clyde didn't have too much to yell about until recently, but they kept yelling nevertheless and it paid off. Left to right are: Lucy Jones, Gail Evans, June Spencer, Floy Latimer, Bobbie Prady, and Shirley Rhodamer. In the center is Earl Chambers. (A Mountaineer Photo.)

## Showdown Nears For Blue Devils Black Bears

The Black Bears of Canton know that the chips are down Friday night and so do the Blue Devils of Brevard. The result promises to be as rough and tough a battle as anything yet seen in Haywood county this season.

The Blue Ridge Conference title is at stake for both teams. Defeat means "So long, it was good to know you," for Canton, the defending champion, and the same thing plus an "almost" before the "know you," for Brevard.

However, the winner will not have won. A bigger battle faces Canton, and it will still be decisive regardless of who wins Friday night. Should Brevard beat Canton the Devils will have to hope that Canton can beat Waynesville, and, of course, win or lose, for their own sakes Canton must win.

## Better Watch These Guys, Clyde

The Cardinals of Clyde will have to stop the running attack of Pattillo, Number 18, and the blocking of Henderson, Number 17, if they expect to bring back their third win from Franklin Friday night. (A Mountaineer Photo.)

## SPORTS in BRIEF

By HANK MESSICK

WIPITE a 60 to 14 trouncing of Washington and Lee. Tennessee slipped from top spot in national ranking. Michigan State, on the basis of their historic Notre Dame 35 to 0, took over number one place. Stanford fourth, and Maryland fifth. The Ivy League, Princeton, is in sixth, and the Ramblers come next. After that is Wisconsin, Kentucky.

ER a bit of work we got what we considered a Monday. The choice of Newberry was a fairly well set for the Paper Bowl, and was not supposed to be until Thursday. However, after we had printed the in it turned out that the entire Mountaineer squad would about it days before.

YLAND has been bitten by the "Bowl Bug." An almanac choice for the Sugar or Cotton, the Terrapins anyone rumors that if the Southern Conference bid them to play they would bolt the Conference. Last year require a majority vote of the conference a member can accept an invitation.

Louis, still silent about future plans, is on his way where he will fight a series of exhibitions with for the benefit of a Shriners Hospital being built in St. Louis doesn't stop fighting soon he may be the first patient.

LY humbled Notre Dame comes to North Carolina and the only question seems to be whether or not very much worse than the Irish. Both previous been tough ones, but, anyway, tickets were sold summer.

you read about the Baltimore boys making jigsaw out of perfectly good tickets to the Navv-Maryland teams that with all this talk about the dollar not being much and the pound still less, the boys thought nothing more valuable than a few dollar bills. Con- the way Navy has been playing, maybe they were than they knew.

an oversight and a flood of copy with which we neglected to mention the Jayvee game, now a with the juniors of Canton. Don't know where we put the story Monday, anyway, but the good tid- that Coach Bill Swift's boys beat the Cantonese therefore remain unbeaten, untied and unscored you wait until the 1952 season?

T need the colder weather to tell me that the cage fast approaching. Sam Lane's son, Mike, has spent his spare time this fall kicking a football around, but the other night I noticed the pigskin was a basketball had replaced it. Have to hand it to the boys a little ahead of the season.

folks, you've seen your last Play-O-Gram of the Grey Tutterrow is going deer hunting on Thanksgiving won't be available to draw it. Judging from what you have told me, I'm sure that you agree Harvey did. Good hunting, Harvey.

DE, boasting a fine if inexperienced runner in Ted going down to battle Franklin Friday, and the as you know, do not have to boast about the good runner they have in Pat Pattillo. The game is so lopsided as you think, for Clyde is improving it would not be the upset of the year if they came their third victory in a row. It would be an excuse to, however.

column has been undergoing problems natural to a child lately. One week there wasn't room for it, next it had to be skinned down to fit in. Maybe it straighten out before it folds up. Kismet!

## Fishing Hearing Set

Anglers will have a hearing on proposed changes regarding creel and size limits for bass, trout, sunfishes and other fresh water game species. The Wildlife Resources Commission holds its hearing in the Hall of the Representatives at 10:00 a.m. on November 16. Clyde P. Patton, Executive Director of the Resources Commission, announced that there has been considerable misunderstanding re-

WASHINGTON STATE over MONTANA	.....	Leads series by 27-2
(N)—Night game.	.....	

garding the regulations concerning the use of such special devices as skim nets, dip nets, gill nets and baskets where they were operated in inland waters. He also pointed out that there has been some discussion among fishermen as to the setting of the seasons for taking fish which come from salt water into fresh water streams to spawn.

"In the absence of objections to or suggestions for changes of the fishing regulations," Patton said, "the Wildlife Resources Commission will assume that the 1951 regulations are for the most part satisfactory and few changes will be made in setting up the 1952 regulations."

"This public hearing, which will be followed by the Commission meeting to set the 1952 fishing rules, will be the Tar Heel angler's chance to get his ideas or suggestions for improvements off his chest."

## Pet Dairy Still Tops Men Bowlers

Pet Dairy managed to retain the lead in the Men's Bowling League this week with a smashing 3 to 0 victory over Mt. Valley Esso who had, nevertheless, no trouble in maintaining fourth place.

Taylor Motor is still in second with 700, which is exactly 100 percentage points behind Pet. Biltmore is third with 567 and Wello Shoe is fifth with 400. Dayton Rubber is last with 100.

Wilson Medford of Pet Dairy had top high game honors as well as high series honors. Earl Gribble and Roek Chambers were tied for second high game honor, and Jack Holt was second in high series.

In the top ten bowlers Mark Rose has moved from fourth to third, and Julius Riggins has been replaced by Ellis Fowler on the list.

## Roberson Named President At Little League Meeting

Representatives of six civic organizations met Wednesday night at the office of Dr. R. S. Roberson, and set up formal organization of the Mountaineer Little League and the Mountaineer Knee Pats League.

The board of directors consists of Dr. Roberson for the Hazelwood Boosters Club; A. P. Ledbetter for the Rotary; Wayne Franklin for the Lions; Tony Davis for the Elks; Lester Burgh, Jr. for the Jaycees; and Ben Messer for the Kiwanis.

Dr. Roberson was elected president. A. P. Ledbetter was chosen vice-president, and Ben Messer became secretary and treasurer.

As previously planned there will be four teams in the Little League, composed of boys from 9 to 12; and

## Roberson Named President At Little League Meeting

12 teams in the Knee Pats League which consists of boys from 12 to 15. Teams within each league will play each other, there will be no games during the regular season away from home. An all-star team will be selected to represent the Little League in the State Tournament in Raleigh. If it wins there it will go on to the District Tournament in Atlanta, and if victorious there it will go to the national playoffs.

At the meeting Wednesday night a preliminary selection of team managers until a general supervisor can be found. Several people are understood to be under consideration and an announcement will be made shortly.
