Very Successful July 4 Was Had, Boosters Report

The Fourth of July celebration, which was held from June 30 through July 5 and which was sponsored by the Hazelwood Boosters Club, was very successful, Ott Ledbetter, chairman of the celebration committee, said today.

Profits from the celebration amounted to approximately \$750, of which a small amount still must be used to pay some bills. This figure is more than last year, Ledbetter said. The Waynesville Township High School band will, as has been the custom in the past, receive half the net proceeds, with the remainder going to Boosters Club sponsored activities.

The American Legion and Hazelwood Fire Department made in the neighborhood of \$400 from the operation of a concession stand, and the Boy Scouts made approximately \$125 from the operation of their concession.

Ledbetter will make the report at the next meeting of the Boosters Club.

At the last regular meeting of the club, held last Thursday night it was decided to make August 14 "Ladies Night."

American Monkeys
The best known American monkeys, the little capuchins, are so called because of the peak of hair upon the head, suggestive of the hood worn by the Capuchin monks.

BACK IKE ON VOTING OF DELEGATES

SHORTLY AFTER the key Pennsylvania delegation caucused in Chicago, Gov. John Fine (right) answers a question put to him by Sen. Edward Martin (left) while Sen. James Duff listens. Dwight Eisenhower that the convention rules should be revised to prevent delegates, whose seating is in dispute, from voting on any issues until they are formally given that right. Visitors From Texas Have A Full Day Sunday

Sunday was another full day for the Texas Club members, leaders and their hosts in Haywood county.

Sunday morning the Texas guests visited the churches in the communities where they are staying. Then Sunday afternoon they were the guests of Champion Paper and Fibre Company at Camp Hope for a get-together.

A picnic style supper with the families of the hosts who are keeping the 4-H Club members was spread at Camp Hope, with over 150 persons present.

David Noland, president of the Haywood 4-H County Council, welcomed the group and Frank M. Davis, county commissioner, gave the invocation.

For the vesper program which followed the meal, Betty Felmet was mistress of ceremonies. Arthur O'Neil, on the recreation staff of Lake Junaluska, and Jerry Alexander, also of the Lake staff, gave the vesper program. Miss Ann Cathey, daughter of Mr. and Mrs. T. A. Cathey, gave two musical selections. G. C. Suttles and Jack Justice were both present to represent the Champion Paper and Fibre Company, and were thanked for the part which they are playing in helping to make this program a success.
