### Weaver Back From **Extensions Tour** Of Nursery Farms

J. L. Weaver has just returned from an extensive tour of midwest and Canadian nurseries, as well as attending the 75th convention of American Nurserymen in Detroit.

He spent three weeks touring the largest nurseries in the midwest, and studying the modern trends in plants and the nursery

Mr. Weaver has been in the nursery business for 24 years, and has a large plant on Highway 19-23 near Clyde.

"Most of our time was taken in studying the latest methods of handling nursery stock every month of the year-this is a great step forward than having just a short planting season like we once had. Now we can plant shrubbery any month in the year, and with marked success," he explained.
