The two weeks' Bible School, which the Baptist and Methodist churches enjoyed together, ended Friday with a picnic at the Canton recreation park. The closing program was at the Methodist Church Sunday night. After the program, the Rev. Coman Brown delivered the sermon. There was a large attendance each day at the school and fine cooperation was extended from both churches. The Rev. Mr. Brown will start a revival at the Methodist Church on Sept. 7 and has invited the Baptist congregation to join with his group.

The W. S. C. S. of the Methodist Church met with Mrs. Mae Robinson Friday night. Mrs. Marvin Mann presided and Mrs. Bill Boone was in charge of the program. Plans were made during the business session for the stand the women will have on the ground at the Labor Day activities and everyone is asked to furnish cakes, pies, and sandwiches.

The W. M. U. of the North Canton Baptist Church had its meeting at the home of Mrs. M. Haney last Thursday night. Mrs. Haywood Mackey was in charge of the program with the topic "Considering Europe" and the theme "Missionary Commands of Jesus."

Those taking part were Mrs. Troy Davis, Mrs. Haney, Mrs. Paul Clark, Mrs. George Eller, Mrs. Dewey Fletcher, and Mrs. Nellie Moore. The September meeting will be at the home of Mrs. Furman Keener and all members are urged to be present for the elec-

tion of new officers.

Decorations Day will be observed at the Beaverdam cemetery near the Methodist Church on Sunday. Everyone is urged to bring a basket and enjoy the day together.

Mr. and Mrs. Noel Williamson and baby, Sylvia, from New York, visited Tuesday at the home of Mr. and Mrs. George Worley and Eva Jane.

so I'll be able to come home more often than a lot of those who are going farther away from home." Carolyn also knows a few of the girls that are now going to Mission and that will also be a big help.

Phil Lowe plans to spend his time this fall at State College along with Mark Girard, Kenneth Keenum and several other boys from the '52 graduating class.

There are many others going off to school and they all could put it into different expressions but it would all mean exactly the same thing. They are all happy about it and no matter where they go they will all share the very same experiences and it will mean the same thing. We will be thinking about them and wish them loads of luck.

Man 'Rides' Manhole Cover

LOS ANGELES (AP) — Warren W. Camplin had a weird ride on a manhole cover recently.

Camplin was standing on the cover while tending to a small weed fire. Police said the flames must have touched off a small pocket of natural gas in the manhole because Camplin was blown about 4 feet into the air. He was treated for burns and injuries.

She is improving at her home after having medical attention.

Other incidents of this kind have been reported, and attention has been called to carelessness or neglect in handling explosives, as some serious damage can result from such practices.
