Navy Blue Party Dress

By VERA WINSTON

WE'RE not hearing quite so much about navy this season, but just the same, despite all the emphasis on black and gray and the blonde tones, it's a color that is having itself quite a whirl. For some of the prettiest bright-lights numbers are of navy silk, as in this pretty afternoon frock. The fabric is silk taffeta and it has a scooped neckline nicely pointed up with a pair of sparkling clips. The sleeves are pushed up to the elbow and the skirt flares out gracefully from a tucked hip line.
