Thickety CDP To Meet April 2 At Oak Grove
By MRS. G. J. WILLIAMSON
Community Reporter
The Thickety Community Development Program meeting for April will be held at Oak Grove Baptist Church Thursday, April 2, at 7:30.
The program committee, composed of Rev. Francis Lunsford and Miss Jorretta McCreary, will have charge of the program. Refreshments will be served by the host church. The refreshment committee is composed of Mrs. Homer Sorrells, Mrs. T. J. Fletcher, Mrs. Frank Ford, and Mrs. Francis Lunsford.

Mr. and Mrs. Ronald Muench were called to Washington, Iowa, last week because of the illness of Mr. Muench's mother. They are expected to return home the last of this week. While away, they will visit Mrs. Muench's father at Delhi, Iowa.

James Parham, son of Mr. and Mrs. Lloyd Parham, Sr., visited his parents last weekend. He is a student at Gardner-Webb College.

Sixteen young people of the Rockwood MYF attended the skating party in Asheville Monday night.

The Rockwood Guild Society met Thursday night of last week at the

home of Mrs. John Nations. The president, Mrs. Betty Cabe, presided and refreshments were served.

Rev. Francis Lunsford is a patient at St. Joseph's Hospital in Asheville. He is reported improving. Sunday morning James Par-

ham substituted for Rev. Lunsford at Oak Grove Baptist Church. Bob-

by Trull substituted Sunday night.

The YWA of Oak Grove church met with Misses Lola and Betty Ford Monday night.

The Evangelistic Club of Oak

Grove Church will meet Saturday night at the church. Everyone is invited.

The WSM of Oak Grove Church met with Mrs. A. J. Trantham last Thursday for an all-day meeting and study course. The Society voted to buy the church a typewriter.

The plates with a picture of Grove Church have arrived. Anyone wishing to purchase may see any YWA girl.

Among the Tuaregs, a man of the Sahara Desert, women go veiled day and night. The women are not veiled.

GMC TRUCKS
Gasoline 4,800 GVW to 90,000 GVW
Diesel 19,500 GVW to 100,000 GVW

No other light trucks have all this

YOU don't expect polo-pony agility from a truck in traffic - but the new GMC's have it.

You'd like to have passenger-car pace and economy on the highway - and you'll get it from the 1953 GMC's.

For there are two tremendous advances that step the new GMC's far ahead of all previous truck performance:

One: Dual-Range Hydra-Matic Drive - the fully automatic shift with 3 speeds for traffic, 4 for the open road - available on 19 models throughout the 1/2-, 3/4- and 1-ton capacity range.

Two: a new line of engines of progressive design, with compression ratios of 7.5 to 1 and 8.0 to 1 - the highest of any gasoline truck engine ever built. Here's pile-driver power behind every piston stroke - flashing response and better mileage squeezed from regular fuel.

A number of chassis advances too, add to the extra-value features that make GMC's, point for point, the biggest dollar's worth in the light-truck field as well as in the heavier lines.

We confidently tell you - these great new GMC's will do your job better, easier, and at the lowest over-all cost. They have stamina beyond their size, because they're "built like the big ones" - the heavy-duty GMC's that lead the world in sales.

That's saying a lot. But just come in - and we'll prove it.

*Standard equipment on Package Delivery model; optional at moderate extra cost on the others.
