Police found the car two days later. Stewart anxiously opened the trunk compartment. The merchandise hadn't been disturbed.

Flight Packs Aid Handicapped

DALLAS (AP) — The flight packs you thumb through to while away part of the time on air strips may have been prepared by physically handicapped persons.

Year-round employment is being given to three handicapped persons by a national air line with headquarters in Dallas through a contract with Goodwill Industries, a Community Chest agency.

The workers assemble 30,000 flight packs a month. Each cellophane bag contains items such as maps, luggage stickers, post cards and travel information.
