

Congresswoman Relates Turn To Private Politics

By JANE EADS
 WASHINGTON — New members of Congress and their wives had a chance to say "howdy" to each other and get acquainted with the old-timers at the Congressional Club's traditional homey open house.
 The club is made up of the wives of members of Congress. In the receiving line with Mrs. Lawrence H. Smith, club president, and her husband, the Republican congressman from Wisconsin, were the new Republican senator from New Hampshire, Robert W. Upton, and his wife. They told me they like to collect antiques but find their Washington apartment a bit cramped compared to the historic red brick mansion they call home at Concord.
 Rep. Robert Ashmore (D-S.C.) said his wife came up from Greenville to get him settled but returned to see out the school year with their daughter, Nancy Vance, 10, Georgia congressman and Mrs. John L. Pilcher, who came to Washington just after the club had its welcoming fete last year, were also in the line. Mrs. Pilcher wearing a big-brimmed hat of turquoise angora that drew admiring glances.
 Others present included Democratic Congressman and Mrs. William H. Natcher of Kentucky, expressing delight over finding a

house and getting their daughters, Louise, 10, and Celeste, 14, into school; and Republican Congressman and Mrs. Glennard P. Lipscomb of California, likewise pleased over finding a home and getting their daughters, Diane, 12, and Joyce, 10, in school.
 One of the main objects of the Congressional Club is to make folks feel at home. With the welcoming shindig as an opener, things will really begin to hum at the club's gracious mansion quarters.
 Biggest event coming up is the reception in February for President and Mrs. Eisenhower, to be followed later in the season with a party for Chief Justice and Mrs. Earl Warren and Speaker of the House Joe Martin. Winding up the 1954 program will be the May breakfast for Mrs. Eisenhower.
 The club, set up by Act of Congress in 1902, now boasts some 500 members and has something scheduled for practically every day in the week. There are the Friday teas and programs, bridge games every Monday, Red Cross workshops every Tuesday and classes in public speaking, Spanish, French and millinery. A Sunday night buffet supper for members is held once a month; formal luncheons every Thursday for guests; a Wednesday business meeting once monthly and parties on Saturdays for associate members, teen-agers and children of members.

Win Their Hearts With This Cake

BEAU CATCHER CAKE — Easy to bake with prepared mix.

CAPTURE THEIR HEARTS with this Cupid's cake! It will look and taste scrumptious at a Valentine party and you can get a lot of servings out of it.
 To make it, we used two of the new 20-ounce packages of cake mix to which you add fresh eggs. One package makes a generous nine-inch square for the base. The other package makes two

round layers. With the help of a paper pattern, fashion a heart out of one of these round layers for the top of your Cupid's cake. Store the other round layer away for dessert another day — cake made from this mix keeps well.
 To be sure that your cake frosting is glamorously smooth and satiny, and has a marshmallowy texture, follow this simple technique. After you have beaten and cooked the frosting, pour it into a clean bowl without scraping the sides of the pan. Add the vanilla and beat another minute or until the frosting is just the right spreading consistency. Transferring to another bowl in this way eliminates the possibility of stirring in the sugar crystals that collect around the sides of the saucepan.
 And here's a decorating tip. Use freshly sterilized tweezers to put on those tiny red cinnamon hearts with precision. It's so easy to do this way, and gives such a trim effect.
 Let your heart show this Valentine's Day—especially on your cake!

CUPID'S CAKE
Ingredients: 2 packages (20 ounces each) yellow cake mix, 2 cups water, 4 eggs (unbeaten), Seven Minute Frosting, red cinnamon candy hearts, heart-shaped gumdrops, red cardboard arrow.
Method: Prepare 1 package of cake mix adding 1 cup water and 1 egg as directed on the package. Bake in square pan (9 by 2 inches), lined on bottom with ungreased waxed paper, in moderate (350F) oven for 40 to 45 minutes or until cake springs back if pressed gently in center with finger. Cool cake according to package directions, then remove from pan. Prepare second package of cake mix in the same way, using remaining 1 cup water and 2 eggs. Bake in two round 8-inch layer pans, lined on bottoms with ungreased waxed paper, in moderate (350F) oven about 30 minutes. Cool cake according to package directions, then remove from pan. Place the 9-inch square cake on a large flat plate. Trim one of the layer cakes into a heart-shaped cake. (Use other layer for another day's dessert.) Spread part of Pink Frosting over top and sides of 9-inch square cake. Place heart-shaped cake on top and frost generously. Outline heart layer with cinnamon candy hearts and place a gumdrop heart in each corner of the square cake. Cut arrow in half and insert in cake so it appears to pierce the heart.

PINK FROSTING
Ingredients: 2 egg whites (unbeaten), 1½ cups sugar, dash of salt, 1/3 cup water, 2 teaspoons light corn syrup, 1 teaspoon vanilla, red food coloring.
Method: Put egg whites, sugar, salt, water and corn syrup in top of double boiler. Beat about 1 minute to blend. Place over rapidly boiling water and beat constantly with sturdy egg beater (or at high speed of electric beater) until frosting will stand in stiff peaks—about 7 minutes. Remove from heat. Add 1 teaspoon vanilla and beat until thick enough to spread. Tint pink with red food coloring.

Whip a quarter cup of cream and fold it into a cup of mayonnaise; top fruit salad with this fluffy dressing.
